EDITOR'S WORD

The guardian for all Americans against tyranny and oppression is the Bill of Rights; indeed it is the hub of democracy and only in a democracy could such an institution as A. & M. exist. "If the press is not free; if speech is not independent and untrammeled; if the mind is shackled or made impotent through fear, it makes no difference under what form of government you live you are a subject and not a citizen." Now as never before the forces of tyranny and oppression are threatening our American rights. Texas Aggies throughout the world are fighting and will continue to fight to make the people of the United States citizens and not subjects. Because of the need for a re-dedication of our loyalties to the "American way of life" as exemplified in the Bill of Rights, we have chosen as our theme this manuscript.

In behalf of the Longhorn Staff I wish to express appreciation to the cadet corps and many others for their splendid cooperation and tolerance in supplying pictures and information for the Longhorn. We are indeed indebted to Mr. Joe Skiles and his staff; it has been a pleasure to work with them.

Serving the Senior Class in the official capacity of editor has been a privilege and my greatest honor; I am indeed grateful.

To my staff, thanks.

Dedication

"... In the future days, which we seek to make secure, we look forward to a world founded upon four essential human freedoms.

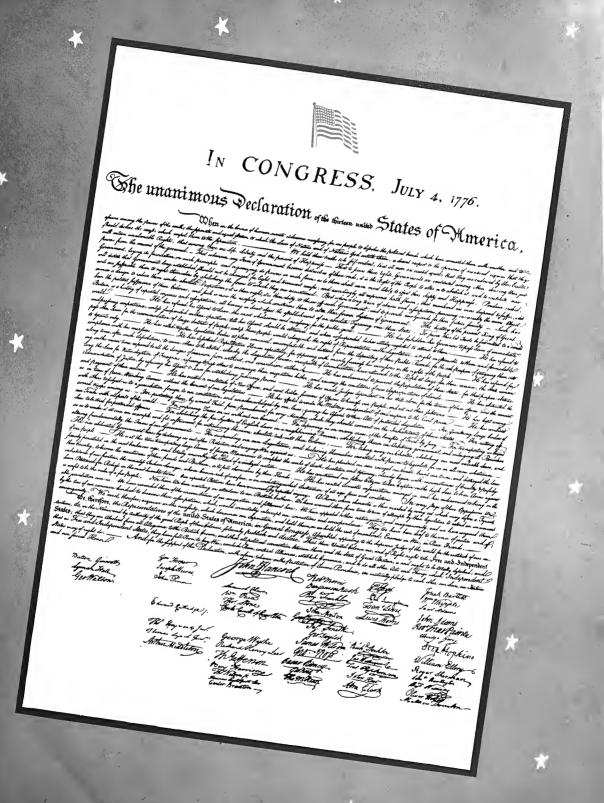

The first is FREEDOM of speech and expression — everywhere in the world.

The second is FREEDOM of every person to worship God in his own way — everywhere in the world.

The third is FREEDOM from want — which, translated into world terms, means economic understandings which will secure to every nation a healthy peacetime life for its inhabitants — everywhere in the world.

The fourth is FREEDOM from fear — which, translated into world terms, means a world-wide reduction of armaments to such a point and in such a thorough fashion that no nation will be in a position to commit an act of physical aggression against any neighbor — anywhere in the world." —F. D. ROOSEVELT.

Some one hundred and seventy years ago thirteen colonies were in search of similar freedoms. They were searching for "life, liberty and the pursuit of happiness" — something they were not accustomed to. Led by such men as Washington, Jefferson and Madison their freedom was soon to come. With their Declaration of Independence the freedom that we have learned to enjoy was born. Now some one hundred and seventy years later this freedom is threatened by the forces of tyranny and oppression. Yes, this freedom will survive because just as the "spirit of freedom" led our forefathers it will again lead us and we, too, will have our Washingtons and Jeffersons. To this intangible asset — the "Spirit of Freedom" we dedicate this the 1942 Longhorn.

The Flag...

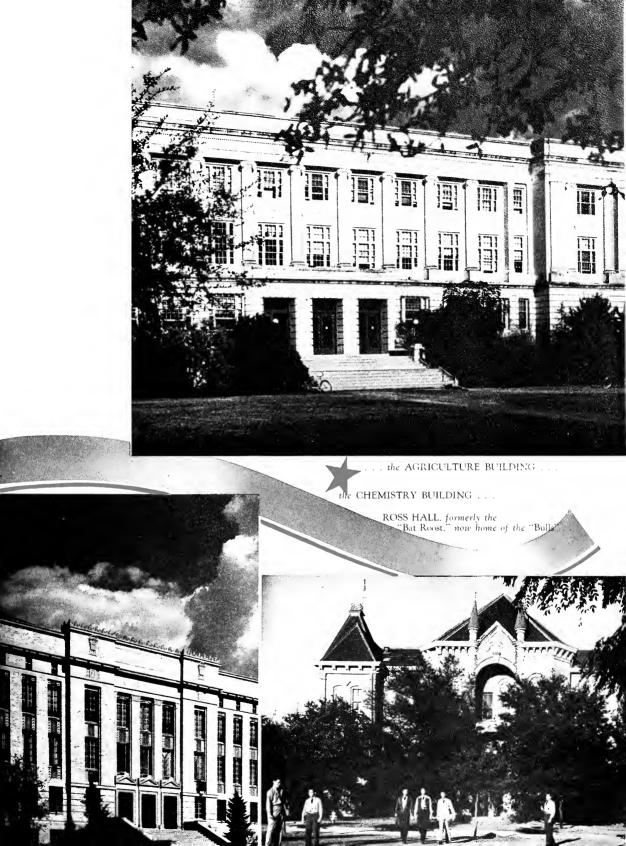

"... And for your country, boy, and for that flag, never dream a dream but of serving her as she bids you, though the service carry you through a thousand hells. No matter what happens to you, no matter who flatters you or who abuses you, never look at another flag, never let a day pass by but you pray God to bless that flag. Remember, boy, that behind all these men you have to do with, behind officers, and government, and people even, there is the Country Herself, your country, and that you belong to her as to your own Mother. Stand by Her, boy, as you would stand by your mother."—HALE.

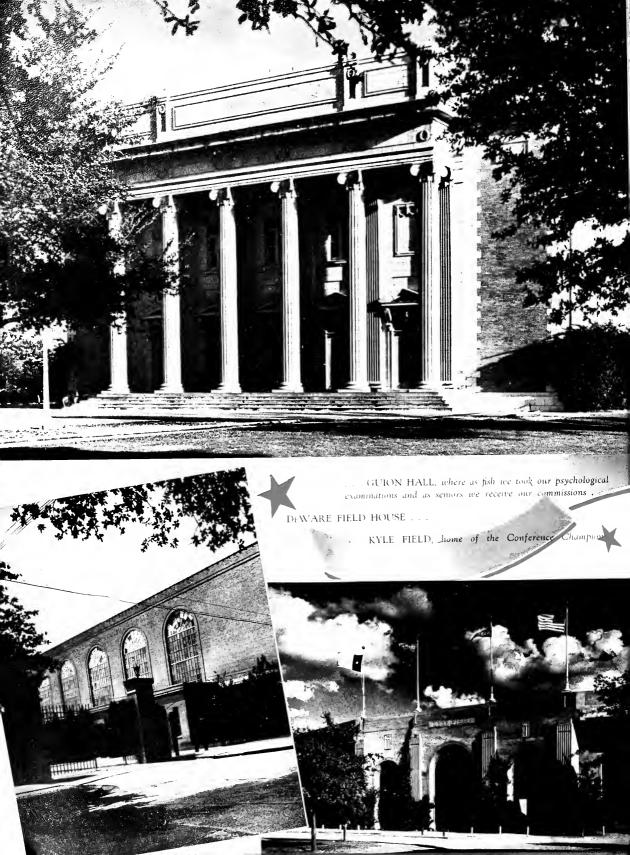

C A M S VIEWS

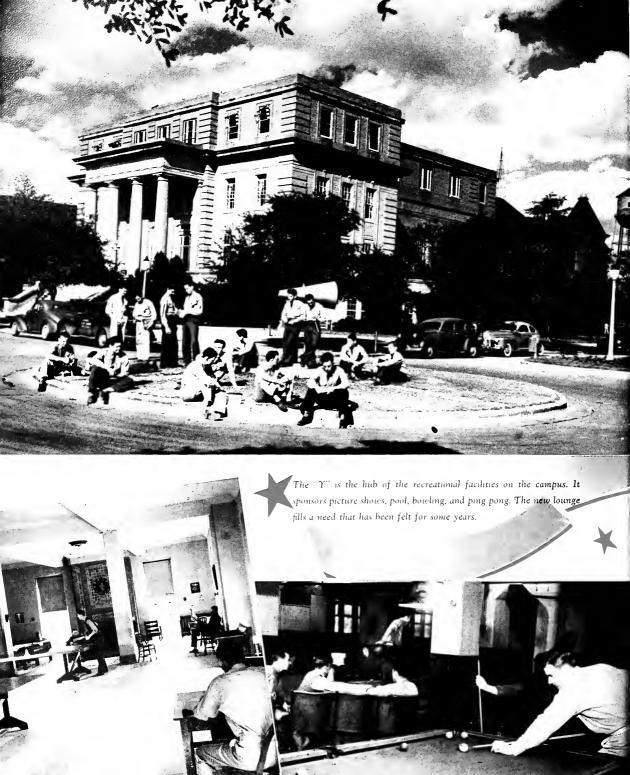

> A busy artery of Aggie life seen from the top of the Academic Building— "Sully," where many an Aggie receives his first taste of Aggie Traditions.

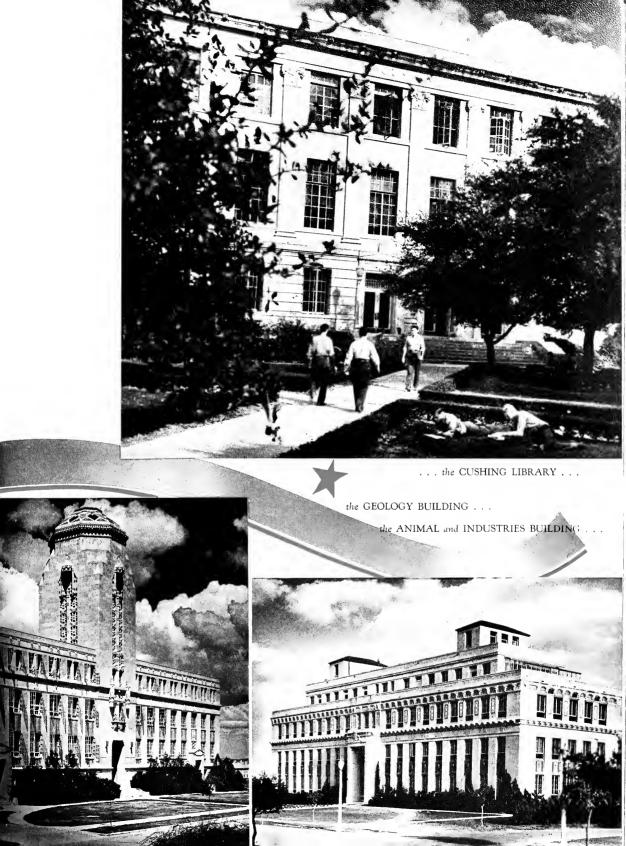

FREEDOM OF RELIGION

Believing with you that religion is a matter which lies solely between man and his God, that he owes account to none other for his faith or his worship, that the legislative powers of government reach actions only, and not opinions, I contemplate with sovereign reverence that act of the whole American people which declared that their legislature should "make no law respecting an establishment of religion, or prohibiting the free exercise thereof," thus building a wall of separation between Church and State.

Thomas Jefferson

FREEDOM

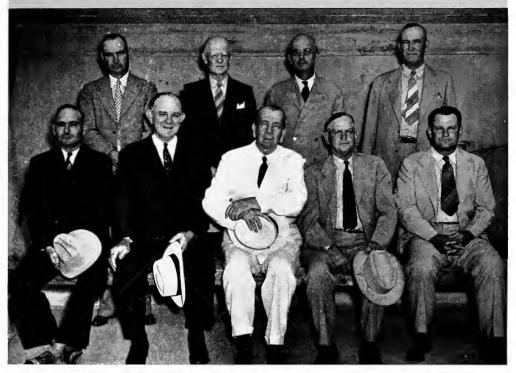

RELIGION

N TIMES of peace and ease we Americans have permitted depredations against those Rights guaranteed in the Bill of Rights. We have been lax in guarding those inherent privileges that the founders of this nation risked their lives and fortunes to secure. In these troubled times, however, every American should take stock and give thanks that those founders had the wisdom and forethought to make provisions in the first amendments for the safeguarding of our freedoms even from our own blind and complacent attitudes. We are fortunate that we cherish in our nation the ideal of man's liberty to worship his God as he pleases. We need only to look to the example of religious suppression and intolerance in many nations of the world to realize that our heritage of religious freedom is a precious one. In many countries there is stress and violence in the name of religion, making a mockery of beliefs that we hold fundamental in our way of life. In our own nation there have been cries against religious and racial minorities, patterned after the totalitarian plan. These are a direct contradiction of the guarantees of our constitution and at no time is the need greater for the preservation of religious freedom than at the present.

Aministration

BOARD OF DIRECTORS

Top Row: BUCHANAN '17, BREES, DEMKE, BURNS '04.
Second Row: KOKERNOT, WALTON, LAW '95, WHITE '95, BRIGGS '17.

The present Board of Directors is composed of bankers, ranchers, poultrymen, lawyers and contractors. F. M. Law, '95, who has served on the Board for the past twenty-eight years, is chairman and G. R. White, '95, is vice president. The other members are: R. W. Briggs, '17; H. L. Kokernot; A. H. Demke; Neth L. Leachman; J. C. Burns, '04; H. J. Brees; D. S. Buchman, '17.

The members are appointed by the governor of the state for six year terms and act as the governing body of the college determining the policies for the college. The Board meets on the second Saturday of the months of January, March, May and October and the day preceding Thanksgiving and Commencement.

F. M. LAW, Pres.

Presidents Message

Prevailing world conditions make the immediate future of the men of the Class of 1942 uncertain in some respects, yet many of this Class are graduating at a time when they uncertain in some respects, yet many of this Class are graduating at a time when they when they are a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and shall have a larger opportunity than previous classes have had to serve their country and the shall have a larger opportunity than previous classes have had to serve their country and the shall have a larger opportunity than previous classes have had to serve their country and the shall have a larger opportunity than previous classes have had to serve their country and the shall have a larger opportunity than previous classes have had to serve their country and the shall have a larger opportunity than previous classes have had to serve their country and the shall have a larger opportunity than previous classes have had to serve their country and the shall have a larger opportunity than previous c

Immediately the tasks with which you will be confronted are war-time tasks; but out in the future sometime the war will be over and you will return to peaceful pursuits. The tasks of reconstruction are always more arduous than the tasks of war. They require the tasks of reconstruction are always more arduous than the tasks of war. They require the tasks of reconstruction are always more arduous than the tasks of war. They require the tasks of said in planning and in the execution of plans, therefore there will be included by the planning and in the execution of plans, therefore there will be included to you and those of your generation the large responsibilities that rest upon the trusted to you and those of your generation the large responsibilities that rest upon the leaders in any nation for the rebuilding of whatever may be destroyed by the processes of war.

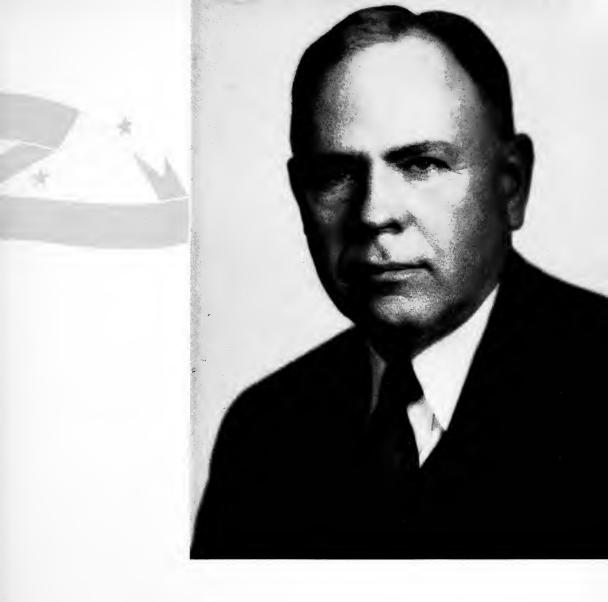

It is our conviction that you will meet the duties and responsibilities that will be yours effectively and efficiently. Your faculty has confidence in your integrity and ability, and wish you every good fortune as you pursue the tasks you are about to undervity, and wish you every good fortune as you will serve efficiently. We know that you take. We know that wherever you serve you will serve efficiently. We know that wherever you be the State who have made it possible for will justify the faith shown in you by the people of the State who have made it possible will justify the faith shown in you by the people of the State who have made it possible will justify the faith shown in you by the people of the State who have made it possible will justify the faith shown in you by the people of the State who have made it possible will justify the faith shown in you by the people of the State who have made it possible will justify the faith shown in you by the people of the State who have made it possible for will justify the faith shown in you by the people of the State who have made it possible for will justify the faith shown in you by the people of the State who have made it possible for will justify the faith shown in you by the people of the State who have made it possible for will justify the faith shown in you by the people of the State who have made it possible for will justify the faith shown in you by the people of the State who have made it possible for will justify the faith shown in you by the people of the State who have made it possible for will justify the faith shown in you by the people of the State who have made it possible for the State who have

The Registrar's Office

Besides its primary responsibility of keeping records on all past and present students of the college, the registrar's office compiles and disseminates daily information to students, prospective employers, and outside agencies. Particularly heavy immediately preceding and since the outbreak of war have been requests from the Army, Navy, and Marine Corps for information concerning students and former students. It is the duty of this office, moreover, to print and issue the official bulletins, catalogues, and directories of the college.

Directing this work is H. L. Heaton, appointed Acting Registrar in the absence of Major E. J. Howell, who was called to active military service in 1941. Supplementing his staff of regular employees is a corps of student assistants.

H. L. HEATON Acting Registrar

FISCAL OFFICE STAFF

The Fiscal Office

Under the capable guidance of Mr. W. H. Holzmann and his assistants the various financial activities of the college are conducted. The fiscal department provides a depository for students' funds and handles the purchases for the various departments of the college. Besides handling all the financial matters of the college and its extramural activities the department has established and supervises the fiscal departments of the three branch colleges.

W. H. HOLZMANN Comptroller

Standing: PESEK, J. T.; McQUILLEN, E. E.; LOCKE, L. B.; THOMAS, W. Seated: BROGDON, DAISY; MOTHERAL, VERNA; HARDY, DALILLA.

The Association of Former Students

The Association of Former Students is the organized effort of graduates and ex-students of the College to be of assistance to their institution and to keep alive in the hearts of A. & M. men the Aggie spirit of loyalty, friendliness, and cooperation. Such an organization has been in effect for over 50 years and has grown strongly both with the passage of years and with the growth in numbers and influence of the ex-student body. (The Association is rated in the top 10 ex-student organizations of the United States. Its chief points of contact with students are through its Student Loan Funds and its Placement Office).

Present officers include Tyree L. Bell, '13, Dallas, president; Wm. J. Lawson, '22, Austin, vice-president; E. E. McQuillen, '20, College Station, executive secretary; L. B. Locke, '22, assistant secretary; and Lieutenant Lucian M. Morgan, '35, placement officer, on leave for active duty for the duration of the war.

William George Hampton, Jr.

Of all the miserable, unprofitable, inglorious wars, the worst is the war against words. Let men say just what they like. We have nothing to do with a man's words or a man's thoughts, except to put against them better words and better thoughts, and so to win in the great moral and intellectual duel that is always going on, and on which all progress depends.

Auberon Herbert

FREEDOM

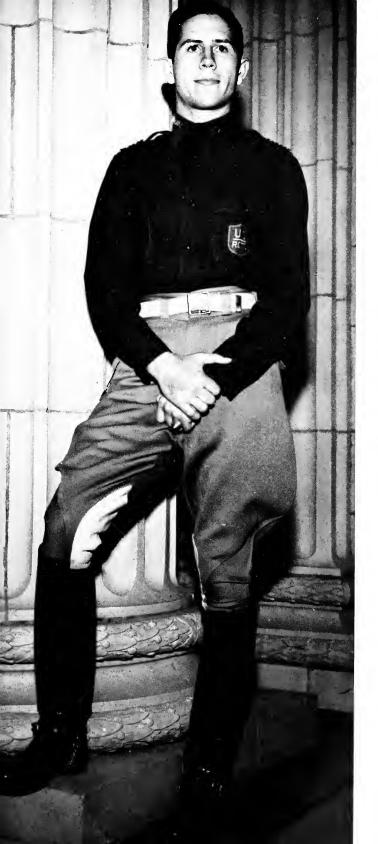

N 1776 our forefathers took up arms to defend the ideals which they knew were just. Last year we became a warring nation to protect the principles for which they fought. Of these principles, the principle of freedom of speech is perhaps most dear to us.

Freedom of speech is more than a phrase — it is an ideal for which thousands of men have given their lives. Washington believed in peace, but he knew that peace through force and without freedom of utterance destroyed all that was dear to the hearts of free men. Lincoln believed in peace, but sadly he plunged this nation into a civil war knowing that a shackled mind and body would not build a free nation. Wilson believed in peace, but he realized that tyrannous suppression of the right to think as you will and to speak as you think endangered the liberty of the entire world.

Freedom of speech is more than a phrase — it is the key to learning and culture. Radio and motion pictures would become farces if this right were not guaranteed. Schools and universities would be the mock attempt of an unwise state to educate its youth. Folly would replace wisdom — routine would replace education.

Freedom of speech is more than a phrase — it is the fervent plea of a war torn world. We are blessed with this inalienable right which the ravaged nations of Europe have lost. It is our glorious heritage to be able to say what we please.

Six-Year Senior

REVEILLE "Rev"

Mascoting Peach Creek

Age 10; Queen; Best-Drilled and Dressed Co-Ed 1932-42;

No. 1 Surber-Chaser; Most Traveled Aggie; Pres. K-9 Club;

Most Popular Aggie.

The freedom of the press is vital to human progress ... Public opinion and the sources of its information may be controlled by despotisms for a certain length of time. It is unthinkable, however, that such control can continue indefinitely. There must come a time when the instinct for individual expression will reassert itself and will begin anew that familiar course of discussion and debate which in the long run will lead back to democracy.

Nicholas Murray

FREEDOM

CLOSE corollary of the freedom of speech is the right of a free press to bring the light of truth to bear on matters public and private. The institution of journalism is a cornerstone in the foundation of a democratic system of government. No other people in all history have been as well-informed as the American people. Freedom of the press is more than just a phrase; through the medium of this belief and practice has developed a system of gathering and distributing information that could only have grown in the soil of a free press. We are blessed with a system that has prided itself on accuracy and justice. The small are made mighty and the great are made humble by its power.

No privilege or right has contributed more to the furtherance of our democratic ideals and championed the cause of freedom than has our press. We believe that our nation can stand the truth whether it be bad or good. It is in keeping with American ideals that our people should be informed at all times on important issues and events. So long as our press is free then we shall have no fear for our American way of life.

RIGHT OF THE PEOPLE PEACEABLY TO ASSEMBLE

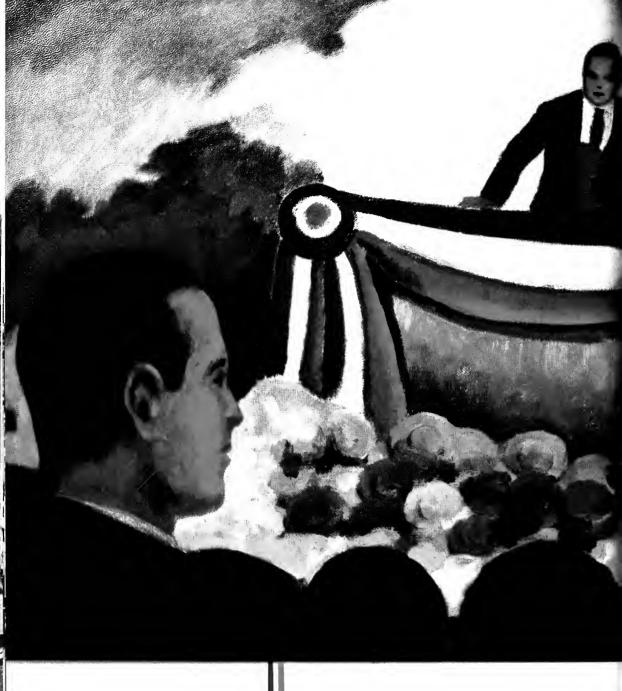

I say discuss all and expose all—I am for every topic openly;

*

I say there can be no salvation for These States without innovators—without free tongues, and ears willing to hear the tongues;

And I announce as a glory of These States, that they respectfully listen to propositions, reforms, fresh views and doctrines, from successions of men and women, each age with its own growth.

Walt Whitman

RIGHT OF THE PEOPLE PEAC

TO ASSEMBLE

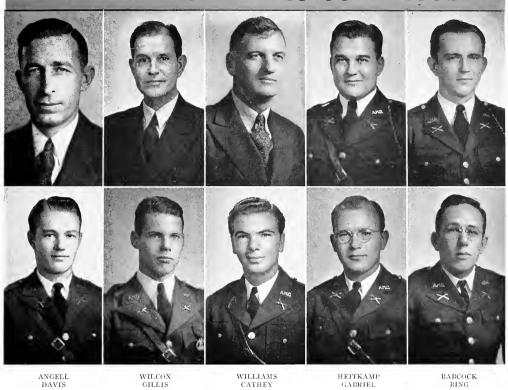

O RIGHT or privilege has longer been sought by free men or has deeper roots in the fight for the liberation of the common people than the right peaceably to assemble and seek redress for grievances. Throughout the history of the struggle for freedom one great essential has been the right of men to meet openly in discussion of common problems.

From the days of King John and the Magna Charta, through the French Revolution, culminating at last with the guarantees in our own constitution man has fought to have the people's voice heard.

We profit from the examples of those countries where no man can dare voice protest against inhumanity and intolerance; this shall not happen to America and to prevent its happening all men who love freedom lend their efforts.

Americans believe that the government exists as the servant of the people and because of that it is the American way of life that no man should be denied the right to be heard in protest. tivities

STUDENT ACTIVITIES COMMITTEE

This committee is a combination of the Publications Board and Student Activities Committee and has supervision and control of student publications, social events, Town Hall, and all activities of the various student organizations. One important task of the committee is the assignment of dates for the various social functions. Equally important is the task of allocating student activity funds to the various clubs making requests. The committee is composed of E. L. Angell, D. W. Williams and G. B. Wilcox as faculty members, the editor of the various publications, the social secretary, the Town Hall manager, and a representative from the Junior and Senior classes. Dean F. C. Bolton is chairman of the committee, G. B. Wilcox is secretary, and Joe Skiles, who is not a member of the committee, is the actual manager of student activities.

JENKINS, MRS. FRANCKLOW, LONGLEY, ELMS, SKILES, STONE.

The office of Student Activities exists as a service unit for the corps. The supervision of all student publications is an important duty of the office and equally as important is the furnishing of administrative facilities for the use of student organizations. The office encourages and fosters all worthwhile student activities. Town Hall is one of the features of the office, and The Singing Cadets, directed by Richard W. Jenkins, is another important phase of the work. A new feature this year was Kadet Kapers, free stunts on Saturday nights. Publications include the Battalion paper and magazine, the Longhorn, The Engineer, The Agriculturist, the handbook, student directory, football programs and many special bulletins. Personnel of the office include Joe Skiles, manager; W. C. Stone and Grady Elms, assistant managers; Richard W. Jenkins, director of the Singing Cadets and Kadet Kapers; Mrs. Marie Francklow, secretary, and Dan Longley, student bookkeeper. The following students were employed during the 1941-42 year: Eli Baggett, Pat Hadsell, Robert Taylor, Jarvis Butler, Milton Kegley, and Jerry Sueltenfuss.

ROGERS

CRISWELL

The Battalion newspaper, which is the official paper of the city of College Station as well as A & M. College, and The Battalion magazine are the corps' own publications. Their preparation, editing, managing, and censoring are left entirely to the students in charge.

TUMLINSON

HA1K1N

The newspaper is normally published three times weekly from September through May and the magazine monthly during this time. During the past year the Student Activities Board voted to continue the regular publication schedule throughout the summer months while the College was on its war-time, streamlined plan of operation.

Don Gabriel was editor in chief of the magazine and newspaper for the first semester, and E. M. Rosenthal held the same position for the second semester. D. C. Thurman and Lee Rogers were the newspaper managing editors and Pete Tumlinson the magazine managing editor. Sports were under the editorship of Mike Haikin while Ralph Criswell was advertising manager and Gene Wilmeth circulation manager.

THE 1941-42 STAFF

The Engineer is published by the students in the School of Engineering and appears monthly. The publication is devoted to scientific articles and reviews and carries the activities and accomplishments of the engineering clubs on the campus. Formerly published four times during the year, the magazine this year reached a circulation of more than 1,200 monthly. Billy Davis served capably as editor during 1941-42. His staff included:

MILITARY WALK
in the "OLD AREA"—
a well-worn path

The purpose of the Y. M. C. A. Council is to encourage mental and physical development of the highest type by a program of lectures, discussions, and recreation. Outstanding speakers are invited to appear before student discussion groups, treating with a wide variety of subjects — vocational, educational, social, political and economical — so that the student may develop a better conception of the problems he must face both as a student and as a citizen of the future.

The recreation program utilizes the excellent reading rooms, ping pong tables, billiards, bowling and other facilities. Entertainment at a reasonable cost is supplied through moving pictures in Guion Hall. The Sunday free shows have proved to be a popular feature of Aggie life. The facilities of the Y. M. C. A. are available for meeting places, and many services are rendered to the corps by the office force.

Members of the Y. M. C. A. Council include Dr. T. D. Brooks, chairman, G. B. Wilcox, Dan R. Russell, E. L. Angell, Ide P. Trotter, Ernest Langford and M. L. Cashion, secretary of the Y. M. C. A.

The Student Aid Fund continued this year to be the true reflection of the Aggie Spirit. It is in itself unique, having up until last year been unprecedented and has been looked upon with the greatest favor.

Organized last year by the students for the purpose of giving financial aid and assistance, it follows a truly democratic program. Faculty members as well as students make up the membership of this committee, the membership composed of three faculty members and four cadets.

Students who were unable to secure the necessary funds for their physical care are granted this aid so that they might receive the best of medical aid. Over a hundred cases per year have been handled during the fund's existence.

Money for the Student Aid Fund was obtained during the past year by a drive in the corps in the fall, from donations obtained from a five-cent fee obtained from free passes to the Campus theater and from miscellaneous student activities. Contributions received from the corps are of an entirely voluntary nature.

Representing the senior class on the committee is Tom Gillis, chairman of the committee, and Skeen Staley. Juniors on the personnel list include Steve Kaffer, secretary, and Cullen Rogers. Mr. G. B. Wilcox, Dr. D. A. Russell, and Mr. Joe Skiles made up the group of faculty advisers.

A. & M. Town Hall is an organization supervised by students for the purpose of bringing to the College the best entertainment available. Fred Smitham is the manager of Town Hall for the year 1941-1942. The series offered this year is one of the finest that this organization has ever presented. The first program was the music of Red Nichols' orchestra, catering to the devotees of modern swing. The second performance brought to A. & M. the noted opera star, Miss Helen Jepson. Next came Albert Spalding and his violin. A piano duo, Fray and Braggiotti, proved a treat both in modern and light classical numbers. The climax of the Town Hall efforts for several years has been the appearance of the Houston Symphony Orchestra and this year was no exception. The T. S. C. W. Modern Choir followed the Houston Symphony. Quentin Reynolds, war correspondent for Collier's, brought first-hand accounts of the present world conflict. The Agnes De Mille Dancers, the Singing Cadets and an outstanding swing band concluded the season.

G. A. ADAMS, President

The Aggieland Orchestra, under the direction of Toppy Pearce, hit a new high in the esteem of its fellow students this year. A new, more powerful, brass section gave the band an added kick that has kept it on top all year. Realizing that Aggies' favorite music is sweet music as interpreted by a swing band, the orchestra increased its size and changed its style to compare with the big name bands that visited A. & M.

It can truly be said that the Aggieland Orchestra had the best group of musicians in its history. In the brass section were Dick Alston, Bully McGregor, Walley Scott, Jack McGregor, and Chu Berry. Tom Inglis replaced Berry at midterm. The sax section included Charles Bickley, Don Hackney, Bill Murphy, Toppy Pearce, and Tommy Nelson who left at midterm. Buck Weirus and Roland Mallet replaced Max Henry and Murray Evans in the rhythm section, joining Fred Nelson and Curley Brient.

Though not members of the orchestra, Miss Norma Jean Jahn, Sweetheart of the Eighth Corps Area, and Alden Cathey, Social Secretary of the Senior Class, assisted with the vocals. Bob Russell augmented the brass section on occasions, and Bob Nisbet handled the publicity.

The Aggieland Orchestra played for all the social functions of the year except the Regimental Balls, for which outside bands played. The usual Thanksgiving and Christmas trips were very successful as well as Corps Trips.

McMINN HOYLE HALL

Service, cooperation, economy and giving as many students employment as conditions will permit are the fundamental functions of the A. & M. Press.

The College Catalogue and other publications, the Extensioner and Extension Service bulletins, the Forest News and Forestry bulletins, the Tri-weekly Battalion, the Battalion magazine, the Engineer, the Agriculturist, and the Texas Aggie are among the publications produced in this department. In addition, the department furnishes printing supplies for the college and its enterprises, prints football programs, Town Hall material and many kinds of printed matter.

After 26 years of service, Mr. S. C. Hoyle of this office has become Editor-Emeritus of College Publications. Mr. J. W. Hall is Manager of the A. & M. Press, and David McMinn is production director.

OFFICE OF STUDENT EMPLOYMENT

The Student Employment Office functions as a clearing house through which those students who must earn part of their expenses may find part-time employment. It follows, too, that potential employers who need men for part-time work in a particular field may more readily find those with the necessary qualifications by referring to this office. This office supervises "student concessions," through which students may sell articles or services of particular value or appeal to the student body.

The problem of finding part-time work is complicated here by the fact that the adjoining business and residential community is not large enough to afford many jobs. Consequently, about two-thirds of the available jobs are financed by departmental maintenance funds allotted to the College. Nearly all of the remaining jobs are made possible by allocation of funds from the Federal government through the NYA.

Since approximately one student in every three who enters the College applies for part-time work, it is necessary to restrict job assignments to those students who are actually most in need, and whose past record indicates their ability to handle both an academic program and outside work. For these reasons, eligibility for work means that the student must maintain a passing grade in at least three fourths of his scheduled course, and must also do a creditable job of work in the place assigned to him. New students selected for work must have rated in the top scholastic quarter of their last year of high school.

A large number of graduates of this College who are now serving competently as officers in our armed forces would have been unable to complete their College work without the help afforded by part-time employment while in College.

W. H. HORSLEY, Chairman

Department of Information and College Publications

WINSTEAD

McELROY

MRS, McELROY

Responsible for telling the world about The Agricultural and Mechanical College of Texas—its contribution to Higher Education, its National Defense cooperation, its service to the people of the State and Nation, its discoveries through research, its education of the youth of the land for leader ship in civil or military pursuits and its athletic prowess—is the Department of Information and College Publications.

Information about Texas A. & M. College and its student body and personnel each week goes out to more than five hundred newspapers and magazines, a score of radio stations, the world-wide press associations and feature syndicates.

The A. & M. story is written, pictured and spoken by:

G. Byron Winstead, Director of Information; H. B. McElroy, Sports Assistant; Howard Berry, Photography; Mrs. H. B. McElroy, Secretary, and Roy P. Gates, Student Assistant.

Extension Service News: Louis J. Franke, Editor; Laura Lane, Assistant Editor; C. A. Price, Editorial Assistant.

Experiment Station: A. D. Jackson, Chief of Publications.

Forest Service News: S. L. Frost and R. V. Johnson.

Radio Station WTAW: H. C. Dillingham, Technical Supervisor; John O. Rosser, Program Director; Deane Orms, Secretary.

G. BYRON WINSTEAD, Director

Thirteen seniors competed for places on the 1941 Livestock Judging Team. A carefully planned program of practice work-outs under the direction of Coaches I, F. Edwards and W. M. Warren enabled the contestants to develop their ability to judge beef cattle, sheep, swine, and draft horses. Classes of livestock judged included some outstanding animals from leading herds and flocks in the country.

The team, composed of five contestants and one alternate, included the following seniors: W. T. Berry, J. B. Cleveland, G. H. Grote, F. J. Hess, V. J. Loeffler, and T. E. Stuart. In the Intercollegiate Contest held October 18 at the American Royal Livestock Show, Kansas City, Missouri, the team ranked fourth in a field of twenty entries. T. E. Stuart was eleventh high individual in judging of all classes of livestock. The team ranked fourth in judging sheep, seventh in horses, ninth in swine and thirteenth in beef cattle. On November 29 the team tied for sixteenth place with Cornell (New York) among twenty-eight teams competing in the International Intercollegiate Livestock Judging Contest, held annually at the International Livestock Show, Chicago, Illinois. T. E. Stuart tied for sixth high ranking individual in judging all classes. The team was first in judging Percheron horses, tied for sixth in beef cattle, and tied for ninth in judging sheep.

The A. & M. Collegiate Poultry Judging Team composed of Edward Schuyler, Wesley Ballman and Kenneth Whitfill, and coached by E. D. Parnell, Associate Professor, and Alex Warren, Graduate Assistant, placed third in all-round score in the Midwest Intercollegiate contest held at Chicago November 28 and 29. Ballman was high point individual of the entire contest, and the team scored first in exhibition judging, both firsts for any Texas team in the Midwest contest. Fifteen teams competed.

The team members judged numerous poultry shows throughout Texas in October and November in training for the contest. They also did practice at the College poultry farm and on nearby flocks. Visits were made to numerous agricultural colleges on the trip to and from Chicago. Medals were awarded to team members for high team honors in exhibition, and Ballman received a second medal for high individual score. Cash awards were also won by Ballman, as well as by Whitfill for scoring third high individual market judging. The contest was in three parts, viz., market judging of poultry and eggs; exhibition judging; and the judging of production classes of hens.

KING MOORE BARRON JEFFERIES SODERQUIS

The Dairy Products Team competed in the International Senior Intercollegiate Dairy Products Judging Contest at Toronto, Ontario, October, 1941. This was the second international contest in which an A. & M. team has participated. Twenty two schools were represented. Preparing for the meet, these boys had the experience of competing as juniors, in the Southwest contest at the Fort Worth Fat Stock Show. Some time was spent in scoring products at commercial dairy plants. First place team trophies were won in judging ice cream and cheese at Fort Worth; at Toronto, however, the Aggies agreed it had been a good experience.

Members of the team were Kenneth King, W. B. Barron, A. B. Jefferies and M. K. Soderquist. A. V. Moore, of the Dairy Husbandry Department, served capably as coach.

INTERNATIONAL CROPS TEAM, 1941

POTTS, COACH; COLLARD, McGOUIRK, WARNER, BUTLER

The 1941 crops team was composed of C. E. Butler of Graham, Texas, F. G. Collard of Oglesby, Texas, G. C. McGouirk of Bonham, Texas, H. C. Warner of Bryan, Texas, and was coached by R. C. Potts, assistant Professor of Agronomy.

The crops team entered two contests, one at Kansas City, Missouri, where the team placed fourth. The other was at Chicago, Illinois, in conjunction with the International Hay and Grain Show. F. G. Collard was high individual of the entire contest, making the highest total score ever made by any contestant in the crops contest at Chicago.

Earl Butler was eighth. The team placed third and received third place medals and a one hundred dollar cash award. Collard was awarded a diamond studded gold medal for his achievement.

These contests include the grading of grain, hay and cotton according: to federal standards; the identification of some 185 farm crop plants, seed, diseases of these plants, and weeds found growing in the field and pasture and the selection of farm crops seeds for planting purposes.

JORDON PUMPHREY MURPHY PARKER HARDIN

Under the direction of Professor C. E. Murphy, of the Animal Husbandry Department, the Meats Judging team compiled an enviable record during 1941-42. At the International Judging Contest in Chicago, the team placed third, losing by a narrow margin to Oklahoma A & M. and Nebraska University. This is the highest an A. & M. team has placed in International competition.

The team was composed of J. D. Jordon, Jay B. Pumphrey and Worth Parker. Johnny Hardin was alternate. Jordon was fifth high man of the International Contest and Pumphrey was tenth high man, winning second in judging pork cuts and carcasses. The laurels won by the team are proof of the fine efforts of Coach Murphy and speaks well of the cooperation and interest of the entire group.

The Texas A. and M. Junior Livestock Judging Team won first honors in swine judging while competing with fifteen other teams in the Collegiate livestock judging contest held March 14 at the Southwestern Fat Stock Show, Fort Worth. The team also ranked fourth in judging beef cattle, fourth in sheep, and fourteenth in horses and mules. Although ranking tenth place in judging all classes of livestock, the team was only forty-six points below New Mexico State College, the third ranking team of the contest. First place was won by Colorado State College.

Members of the Texas A. and M. Team included Heston McBride, Joe Lemley, Marvin McMillan, John Powell, Jay Pumphrey, and John Wheat, alternate. Jay Pumphrey was third high individual in judging all classes of livestock among eighty contestants. He ranked sixth in judging beef cattle, fifth in swine and seventh in horses and mules. Heston McBride tied for first place in judging beef cattle and second place in swine judging. John Powell tied for second place in judging beef cattle.

The team was coached by Irvin F. Edwards and William M. Warren of the Animal Husbandry Department. Some of the outstanding herds and flocks in the state were visited during practice judging workouts in preparation for the contest.

DAIRY CATTLE JUDGING TEAM

Texas A. & M. was represented at the Collegiate National Contest in Judging Dairy Cattle held on October 11, 1941, during the National Dairy Show in Memphis, Tennessee.

Twenty-one college teams from twenty states competed, with Texas A. & M. finishing fifteen points behind Iowa State College for second place honors. The team never finished below the high five in any of the five breeds and individual members were always in the high ten men. Hales placed fourth in Ayrshires, seventh in Guernseys, sixth in Brown Swiss, and tenth in Jerseys making him fourth high individual in the entire contest. Ator was ninth in Guernseys and second in Holsteins. Kay was sixth high individual in judging Ayrshires.

Members of this years team, with the exception of Urdaneta replacing Ator, competed at the Fort Worth Fat Stock Show in March, 1941, and won fifth place. At that time J. T. Cate, D. L. Ator, J. C. Kay, Ralph Urdaneta, H. B. Hales, W. S. Fennel, Ebert Pierce, Buster Wheat, and G. S. Hutchings were working out for the team.

Before going to the National Dairy Show last October, the team worked out at San Antonio, Waco, Austin and the Texas State Fair in Dallas.

THE RIGHT TO KEEP AND BEAR ARMS

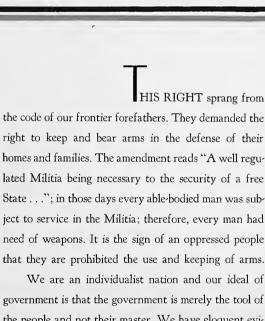

* * * * *

The poorest man may, in his cottage, bid defiance to all the forces of the Crown. It may be frail; its roof may shake; the wind may blow through it; the storm may enter; the rain may enter; but the King of England may not enter; all his forces dare not cross the threshold of the ruined tenement . . .

William Pitt - 1766

THE RIGHT TO KEEP

We are an individualist nation and our ideal of government is that the government is merely the tool of the people and not their master. We have eloquent evidence of an opposite ideal in the totalitarian nations where the individual exists only to serve the State. In those nations the desire for such a right is cause for suspicion. Injustice and tyranny never tolerate the luxury of human rights. Only in a democratic state where the mistakes of the government are the mistakes of the people themselves is it possible to grant such rights as keeping and bearing arms.

BEAR ARMS

Danity Tair

REO BUILDING NEW YORK CITY February 17, 1940

Mr. R. L. Heitkamp Editor The 1942 LONGHORN A & M College of Texas College Station, Texas

Dear Mr. Heitkamp:

Your Texas beauties were all too beautiful for one man to possibly judge alone so I called in the entire band to help, with the following results:

Betty McIntosh Young Kennedy Linda Lee Geren Lena Marie Adams Elizabeth Alexander Mary Katherine Dodeon Mary Frances Seago

The boys all agreed that you gave me a difficult nssignment, and we hope that our selections will eathirfy the A & M student body. We're only corry that every one of the gale couldn't you.

Good luck to this year's LONGHORN!

Sixofely,

Belly 111 Intosh

Near in importance to exemption from any arbitrary control of the person is that maxim of the common law which secures to the citizen immunity in his home against the prying eyes of the government and protection in person, property, and papers against even the process of the law, except in a few specified cases. The maxim that "every man's house is his castle," is made a part of our constitutional law in the clauses prohibiting unreasonable searches and seizures, and has always been looked upon as of high value to the citizen.

Thomas M. Cooley

THE RIGHT OF THE PEOPLE TO BE SECU PAPERS AND EFFECTS AGAINST UNREAS

HEIR PERSONS, HOUSES, SEARCHES AND SEIZURES

No other right

granted to the American people has so purely a personal aspect as the right against unwarranted invasion of their privacy and personal affairs. Our individualism is of such nature that this privilege of protection against unwarranted and unreasonable searches and seizures is a right that is taken with an almost too matter-of-fact attitude. We would feel any aggression on this right immediately and would resist it more fiercely because it is such an integral part of the pattern of our American way of life.

We must realize that it is unsafe to take these liberties for granted. That is a lesson which we can learn from the experiences of other peoples who thought their rights were self-perpetuating. Civil liberties must be watched constantly lest they be turned against themselves. They are flexible—as they should be—and their flexibility needs guidance and care to take the proper course.

MAJOR R. POLAND, Regimental Commander

- A weary group returns to mess
 Old Man loafing as usual
 Woodlaun Lake scenery was very good
 Claude, Mac, and a Good likeness of Dick Hervey
 And they say hazing ain't allowed here!

- Sack lunch on maneuvers Going somewhere, Bode Nice looking and they fit well too Cleveland and Camp resting on the firing line

CAMP-

- And the 9th Infantry moved in The enemy crouches We've got to go Trume 4:700; Temperature 113° Centigrade The Little Colonel speaks!

- 6. K. P.
 7. Must be an air raid
 8. Cook and Collard washed their pants in water softener no more pants

- 1 Even the events get wood tacks 2 Norton and Looms in B Co. tent 3. Our den ostration at Woodlawn Lake 4 Thise d. d. packs

- 5 Creus drinking of all things WATER
 6 Ten o clock black cow
 7 Renaud feeds face
 8 Johnson enjoys peace at last for 10 minutes

INFANTRY CAMP-

- We put up marginto bars which we never used
 No mail roday either
 A bull session at the Chink's
 End of the bing ride
 Mama Kimbroughean wash day

- 6 Bleed Sarge bleed
 7 They're soldiers really they are
 8 Dress it up'
 9 Meal time'

- Tent 20 three white men, two Okies
 Who's on the other end, Ralph?
 High noon critique on 2nd Div. hill

- 4. Pay Day!5. Lots of authority there???????6. Before the 9th Infantry arrived, no doubt?
- 7. Sain, Whites, and Quick 8. An engineering triumph 9. Siesta Bullis style

- FIELD

- 1. Chow! 2. Fire!

- Exhale, Willie
 Waiting for the unre truck
- 5. That's a good point 6. Misfire

- 1 Where is Late 2 Elimite II Branian 3 We did at paid 410 bound

- 4 Four of a kind submitted by Brannan 5. Next' 6 First Aid lost man power

CAMP-

- 1 F Batte (1.0) of tall instead flaps or tent flaps down tent flaps flaps make up tone mind.
 2 E Batter star in The proper command. By the numbers aghilland so rate. Cost Tates.
 3 D canning up the Accretion.

- 4 Davis Allen and Kercheville sweat it out
 5 Which a way did they go Robni'
 6. More blank for blank Creek the Mascot
 7 Sense it sense it Nest Command Next Command Doubtful
 8 What is the matter' Canteen closed Tahookie

- Full recoil
 Rogers does his share by falling em in
 Sunbeck and Ace posing

- 4. Everybody does his part
 5. Don't let it get away
 6. A few shy

- FIELD ARTILLERY CAMP

- Someone sabotaged their bed
 Guess what?
 The 81/2 piece FA band Buck towers over Newton and Echols in the rear rank

- 4. Goin' home
 5. If only it would work
 6. Grab a hold men it's not loaded

- Slopping the hogs
 I JOSEPH'S afternoon nap
 Persohn was made for this
 Harrington invades the Artillery Range

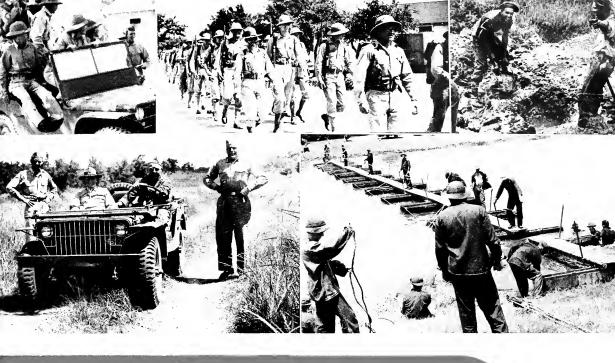

- 5. Sgt. Snider shows us how 6. Fire-ball and the Chief 7. Fall out for 10-minute rest 8. Dr. Livingston I presume

-SIGNAL CORPS CAMP-

- 1 The Sarge tears down our happy home 2 Deep in the Heart of Texas 3 Hortense in action

- 4. What a line the "Gootch" hands out 5. Home sweet home 6. Barker looks on--as usual

- Anybody got a key?
 Now for Mail Call
 Latrine duty?

- 4. The powers that be 5. A record broken.

-ENGINEER CAMP-

- A ten-minute rest
 WPA gets 40c an hour—what do you get?
 What is so interesting?

4. Another rest'
5. "Sweating out" extra duty,
6. It was a hard fight, but we won'

1 Choic line.
2 Woodlaum Lake Bridge under construction by the A&M Engo 4 Chocolate core neers

- ENGINEER CAMP --

Meuse unusually happy
 Whitney stands prepared
 The end of a march

4 Washingtons
5 The firing line
6 Maggie's Drawers for Frost.

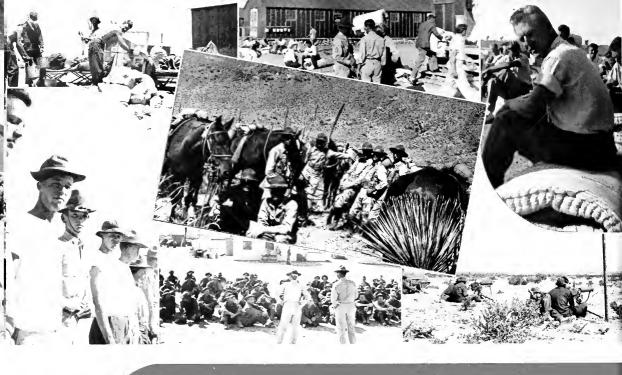

- 1. Targets Up! Observed by Dickerson.
 2. Bity and "Hose" on the brighter side of camp
 3. Pause for refreshment—lemonade, of course.
 4. Cavalry Pilot—pile it here and pile it there.

- Walking out of a shake down period.
 Prepared for Inspection.
 Dean and Dickerson are getting hungry.

- 1. Dona Ana Sunbathers.
 2. Firing Squad.
 3. Sarge Riordan and his mount or why "men" join the QMC 4. Hart and Hess refresh.
 5. Oh! Oh! Three of a kind.
 6. Yardbirds.

- 7. Gunga Dean 8. Martin reunion, 9. Little Maj. 10. Shade at Dona Ana' 11. 7 come 11.

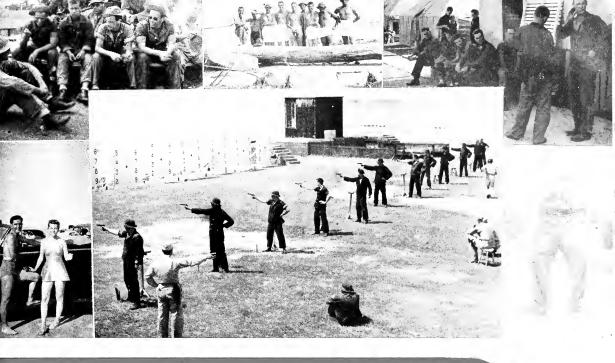

Waisting water—the cleanup. Oh' Happy days' What is wrong Rice? Someone steal your blanket The Rootie Toots

5. Lost?
6. Rumors—direct from seat three.
7. Over the hill came 50 000 Indians.

- 1 Up and Over.
 2. Dona Ana in a rain storm.
 3. Fighting QMC
 4. Shade! Any old port in the sun

- 6500 feet and more to go.
 Finis
 Grinning for the camera
 Now to water the (horses).

- Frenchy s gun crew resting
 Modest cavemen what, no women'
 Waiting for shingles for breakfast

- 4. Lady's man Tomaso lost this girl to Odell 5. No⁵ No⁵ Lieutenant. The target is the other may 6. G. I. Panties

COAST CAMP

- You guessed it. Two sizes too large and too small
 The brighter side
 Barrel-chest Kallina shows how
 Tent C-3 in fatigues
 What drinking water!

- 6. Rest!
 7. Leutenant Shade, Jack, and Jimmy tracking
 8. Tentmates dressed for dinner
 9. Those tents weren't pitched for resting. Windrow
 10. You can't pass inspection this way

- 1 The Goldste gabble gun wen. LaVere's pride
 2. Repeach posture but look at their faces
 3. Fold supping a 30 caliber
 4. Range Officer Brundinge and AA director
 5. The patient looks worned as Barber Baby work
 6. It doesn't bite fellows just recoils
 7. Lansardsyanker Cheess has just pulled one
- 8. Cabriel and Mayberrs bull with the old sergeant.
 9. Mason and Bob load for Morosky's mistake.

Tyrannical governments have immemorially utilized dictatorial criminal procedure and punishment to make scapegoats of the weak or of helpless political, religious or racial minorities and those who differed, who would not conform and who resist tyranny. Today, as in ages past, we are not without tragic proof that the exalted powers of some governments to punish manufactured crime dictatorially is the handmaid of tyranny.

Hugo L. Black

RIAL BY JURY is one of

the firmest of the foundations on which the American republic is built. This right — as with many of our liberties - did not originate with the independence of our nation but was borrowed from the English bill of rights. That a man may have a hearing before a fair and impartial jury of his fellow citizens is a keystone of democracy. It is a direct antithesis of dictatorship. Our jury system means that every man, whether rich or poor, has the same right in regard to trial for crime. The acceptance of this ideal came after centuries of struggle and opposition. Never before has so serious a threat against our rights appeared; new ideas purported to replace supposedly out-moded democratic principles. Never before has it been so vital that we defend our right to trial by jury. There are many who say that this privilege is being used by enemies of our nation as a shield behind which to undermine our government. However, though it shield one enemy, it protects a thousand Americans.

JURY

porta

MOHLE, LENERT, NORTON, WILLIAMS, WARDEN, scatcd. SPIVEY, CRAWFORD, HOOKER, standing.

The Athletic Council of A. & M. has supervision of all intercollegiate athletics and extramural sports and the coordination of them with Intramural Sports, Physical Training and Physical Education. The Council has charge of all arrangements for athletic contests, eligibility, and determines the policies for athletics at A. & M. Dean E. J. Kyle is chairman of the council. During his absence in South America, D. W. Williams presided. The other members are Dr. A. A. Lenert, C. W. Crawford, E. W. Hooker; T. W. Mohle and T. B. Warden of the Association of Former Students; Homer Norton is Athletic Director; Marshall Spivey is the student representative. The guidance of these men has enabled A. & M. to attain a high level of athletic eminence. Their only reward has been the satisfaction of seeing A. & M. athletic teams first in the nation.

YELL STAFF

NAGLE STALEY ALEXANDER CHALMERS

As long as the Aggie contesters are on the field of action our yell staff will be there filling those Aggie lungs with that "Aggie Spirit" at all times. The job of making the twelfth man the loudest "out-yellingest bunch in the world" fell to four able and spirited men. Skeen Staley, chief yell leader, J. O. Alexander, senior yell leader and two junior yell leaders, Jack Bigfoot" Nagle and "Chuck" Chalmers have molded the student body into greatest yell section of any school in the world.

Skeen Staley has ably proved himself as a leader, and will be listed in A. & M. history as one of Aggieland's best yell-leaders. Second-in-command, J. O. Alexander, deserves a hard-earned credit for his willing, efficient, and untiring services. Throughout the season his spirit never once wavered. Greatly assisting Skeen and J. O. were two junior leaders. Remembered by all is Jack Nagle who with his constant flow of good stories and spirit and "Chuck." Chalmers, who was always there and ready. Jack, however, left us after the Thanksgiving game to answer the country's call to arms and was replaced by Ted O'Leary.

The time, effort, and leadership that these five men have given the corps reflects well upon their ability and to them go the praise and thanks of every man of A. & M. for having done their job.

HOMER NORTON Head Coach

FOOTBALL

Homer Hill Norton, head football coach and director of intercollegiate athletics at Texas A. & M. College, came to the Aggies in 1934 from Centenary College. After going through the "building" years his 1939 and 1940 teams established a new record for the Southwest Conference — 19 consecutive victories. The Aggies rated first in the nation in 1939, co-champions of the Conference and winner over Fordham in the Cotton Bowl in 1940, conference champions again in 1941 though losing their first bowl game to Alabama at Dallas.

Norton was born at Carrolton, Alabama, December 30, 1897. He attended Birmingham high school and Birmingham-Southern College, graduating from the latter in 1916. In 1920 he gave up a promising professional baseball career with the Columbus (American Association) team to become head coach at Centenary.

He headed the Gentlemen staff for two years and then served as line coach under "Bo" McMillan for three seasons. When "Bo" left, Norton was offered and declined the position as head coach, but accepted the post in 1926, after another year as line coach, and held it until he came to Texas A. & M. in 1934.

Norton tutored three undefeated teams in seven years while head man at Centenary. During the 1932 and 1933 seasons, his teams were undefeated in 20 straight games and unscored on in 14.

In his seven years at Texas A. & M. his teams have won 51 games, lost 22 and tied 6.

THE AGGIE FOOTBALL SQUAD

Front row, left to right: Sibley, Abilene: Sterling, Panhandle; Spivey, Lufkin; Moser, Stephenville; Luethy, Monahans; Montgomery, Moran: Henderson, Houston; Richardson, Houston; Tulis, Fort Worth.

Second row: Daniels, Bryan; Smith, Frisco City, Alabama; Porter, Cleburne; Bob Williams, Eldorado; Felix Bucek, Schulenburg; Holder, San Antomo: Dickey, Alto; Swank, Dallas;

Third row: Mercet, Temple; Manrice Williams, Marlin; Raukin, Brenham; Skarke, Schulenburg; Cox, Donna; Wolters, Dallas; Andricks, Houston; Webster, Sweetwater; Lapalac, Bellville.

water, Zaplatue, Belton: Pickett, Temple; Rogers, Mart; Roman, Houston; Slaughter, Houston; Simmons, Somerville; Wade, Lexington; and Cowley, Fourth row.

Fourth Fow: Miner, Denon, Takett, Rampe, Assert, and Fourth Fower.

Fifth Fow: Dawson, Crockett; Ruby, Waco; Molley, Abilene; Knight, LaGrange; Roy Bucek, Schulenburg; Andrews, Amarillo; and Moore, Fort Riley, Kansas.

Stath Fow: Stout, Handley; Levy, Corsicana; Mulhollan, Belton; Wesson, Temple; Maples, Fort Worth; Cure, Gilliand, and Wagner, Yoakum.

Back Fow: Head Coach Homer Norton; Backfield Coach Marty Karow; Line Coach, Bill James and End Coach "Dough" Rollins.

The 1941 football pre-season dope predicated unanimously that the Bible Plan would finish first and the best the Aggies could do would be fourth. Non-conference games ran true to form; however, the Aggies surprised many with their high scoring victories. While Texas was taking Arkansas, Rice and SMU in fashion the Aggies in less spectacular fashion were downing TCU, Baylor and Arkansas. As A. & M. went into the SMU game fans had visions of an undefeated season for the Aggies and Steers, with the Turkey Day clash determining the superior. TU dreams received a terrific jolting when Crain and Co. of TU were held to a 7-7 deadlock by the same Baylor team that the Aggies had defeated 48 to 0. The following week-end proved more startling and revealing as A. & M. took Rice in stride and TCU handed Texas its first defeat to assure A. & M. the conference flag.

Not content with just the conference flag the Aggies were a determined group when they took the field against TU on Thanksgiving Day, remembering well 1940. For thirty minutes they battled a determined group and then in the second half fell before the greatest "runner-up" this conference has seen, taking with them the Thanksgiving Day jinx and many "Bowl" dreams; however, invitations to play in Bowl Games did come as the Aggies defeated Washington State in their final game. The Aggies were invited to play in the Cotton Bowl for the second year in succession, their opponent being Alabama. They accepted and were defeated, only after completely outplaying the Crimson Tide, 29-21.

Spivey and Ruby were elected captains. Moser was elected most valuable player and made the All-American teams of some sportswriters. Zapalac received the best blocking back award and Sibley the best defense man award. Moser and Ruby received the Houston Post most valuable backfield and linemen awards. Sterling, Sibley, Ruby and Moser were unanimously chosen all-conference.

SAM HOUSTON

Aggies Stage "Eye-Opener"

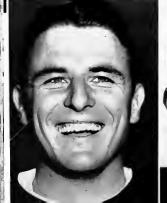

The Aggies were hosts to Sam Houston Teachers for the opener of the 1941 football season.

The game proved conclusively that the team as a whole was in need of experience. It was not until late in the first quarter when the Daniels, Rogers, Andricks, Zapalac combination was obtained that the first touchdown was tallied. Spectacular run-backs, end sweeps, and center plunges, netted 166 yards. Via air the Aggies added 182 more yards from the accurate arms of Moser and Daniels. Henderson, Rogers and Simmons gathered in their passes to account for two of the eight touchdowns, the first and last for the afternoon. Moser raced 69 yards through the Sam Houston secondary for the second

score. Pickett and Daniels were credited with the third and fourth with center plunges and an end sweep. It was Moser again, passing to the 3-yard line and bucking the line to make it 34 to 0.

The Aggies failed to count in the third quarter but Rogers took a punt early in the fourth, picked up his interference in mid-field, and raced 68 yards for a touchdown. Williams kicked the extra point to make it 41 to 0. Then Williams, after his punt return, sprinted down the sidelines to score standing up. The final tally came after seven completed passes by Moser to Henderson and Spivey. Webster kicked his fourth extra point of the game making it Aggies 54, Sam Houston 0.

Aggies Win in San Antonio

On the night of October 4, playing their first nightgame in Texas, the Texas Aggies defeated the Texas A. & I. Javelinas 41 to 0 in San Antonio. Coach Norton used every player available, and gave a fair prevue of what to expect from the Aggies in '41.

The hustling Hogs put up a valiant fight for most of the first half, and gave up only seven points to an Aggie team strong in reserves. According to the statistics the Aggies had a pushover, but not until

late in the second period, when Moser heaved a pass to Spivey, could they cross the A. & I. goal. After the intermission the Aggies came back and ran over the Hogs at will. Rogers and Williams each scored twice and Pickett once in the last half, and Webster added two extra points. The Javelinas did very little offensive work, but displayed some defensive power. Stuart Clarkson, little All-American center, Al Dowgiello, and Russel Jensen paced the A. & I. team to their overwhelming defeat.

NYU Falls Under Aggie Power

On October 11, A. & M. played New York University in massive Yankee Stadium. NYU held the Aggies to a 7-7 tie in the first half of the fray to amaze the 18,000 fans, but the Cadet passing game started clicking and A. & M. won easily 49-7. For one half, this was a brisk and interesting battle which saw A. & M. forge into the lead with a pass interception by Sibley and a 32-yard center plunge by Tom Pickett. The Violets quickly tied the count when Teubert picked up a vagrant Aggie pass and raced 64 yards down the sideline to score. Again NYU intercepted a pass and returned it to the 3-yard line. The maroon line held here to end the NYU threats for the day.

Derace Moser broke the deadlock in the third quarter by intercepting a pass and galloping 90 yards for the touchdown. Less than three minutes later, Spivey took an end zone pass from Daniels to terminate a 44-yard drive. Bates of NYU returned the kickoff to the Aggie 24, but Spivey intercepted a pass and A. & M. was on another touchdown march which ended when Webster plunged over from the two. Pickett, Andricks, and Moser tallied in the fourth quarter as NYU wilted under the onslaught of the fresh Aggie backs. With only a second left to play, Moser was called from the bench to toss a 50-yard pass to Pickett on the Violet one. There's where the game ended. Webster converted after all touchdowns.

Aggies Win First Conference Game

The fans of the Southwest Conference got their first view of the Aggies in Fort Worth on October 18. The Cadets clearly proved that another great A. & M. team was on hand by beating TCU 14-0. The first tally of the game came as the result of a 74-yard punt by Moser which set the Frogs back to their own 20. Ruby broke through and blocked Gillespie's punt and it rolled out of bounds on the TCU six. After two plays, Moser pitched a pass to Spivey who was alone on the Frog 5. Webster converted. This occurred in the first $4\frac{1}{2}$ minutes of play.

From then on, it was the Aggies' game. Without the services of Kyle Gillespie, who was hurt early in the game, the Frogs failed to hold the Aggies. Time and time again, A. & M. drove deep into TCU territory. The Maroon line led by Ruby, Sibley, and Sterling held the Frogs to 71 yards net rushing.

The second Aggie touchdown came in the middle of the last quarter, a short punt giving the Cadets the ball on the TCU 30. Leo Daniels passed to Sterling twice to carry to the Frog 14 and then tossed one to Harold Cowley for the counter. Webster added his sixteenth consecutive point after touchdown. A. & M. used three good teams to down the Frogs, but Moser was the sparkplug of the A. & M. offense. His deep punts and thrilling punt returns were a thorn in the TCU side all afternoon.

Aggies Swamp Baylor

The Texas Aggies, who bore in modest silence the doubt that they could ever recover from the loss of John Kimbrough and company, on October 25 welded their claim to greatness by crushing a hapless Baylor team on Kyle Field. This was the Aggies' fifth straight win of the season and was perhaps their greatest.

Four and one-quarter minutes after the Aggies kicked off, the score stood A. & M. 6, Baylor 0. Moser picked up Wilson's 43-yard punt on the Aggie 45 and dashed to the Baylor 15 before he was thrown out of bounds. Moser made a first down and in two tries, Zapalac bucked over for the score. Webster's successful try for the point was not allowed because of an Aggie penalty and Zapalac missed the second try.

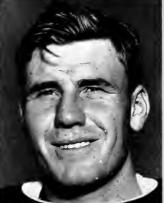

In the next three minutes another seven points

were added to the A. & M. score. This tally was started on its way by Sibley's interception of a Baylor pass, and Moser, by flipping passes to Sterling and Spivey, helped the ball to find its way to the other side of the goal. With the excellent playing of Moser, Daniels, Henderson, Roy Bucek and Rogers and four straight extra points being chalked up by Webster, the half found the score, A. & M. 37, Baylor O.

The Cadet eleven started things going again in the third period by Holder's interception of Wilson's pass. Andricks and Williams collaborated on the ground work to hit paydirt. Webster added the point thereafter. Then after a poor sixteen yard punt a few plays later, the seventh touchdown and Webster's twenty-second straight consecutive point topped the day off with the final score, A. & M. 48, Baylor 0.

Aggies Eke Out 7-0 Victory Over Arkansas

November 1, the Aggies traveled to Little Rock for their Conference game with the Arkansas Razorbacks. The Cadets found the Porkers keyed up for their homecoming and playing better football than they had shown all season. The game was a seesaw affair for three long quarters and neither team could gain an advantage. Each tried field goals but both attempts were unsuccessful. Once in the first half A. & M. had an opportunity to score but Henderson fumbled past the 14 and the Aggies went back into the defensive game they had been forced to play for two periods.

ARKANSAS

Finally, at the beginning of the fourth period, a pass by David Paul Jones, Arkansas' deadly thrower, was intercepted by speedy Felix Bucek, guard for the Aggies. With beautiful interference, Bucek streaked 58 yards for the lone score of the tilt. Webster continued his consecutive conversion record and placed the ball through the uprights for the extra point.

The statistics showed the Aggies trailing in almost every department. The Porkers completed 11 passes to the Aggies 6, and on the ground they held the Cadets to a net of 65 yards. On downs the Razorbacks also led with 12 of their own to 7 of the Aggies. The Cadets retained their hold on the Southwest Conference lead undefeated and untied but not until the hard-fighting Razorbacks gave them a 7-0 scare.

Aggies Rally Against S. M. U.

Overtaking an SMU 10 to 7 lead at half time, the Aggies rallied in the second half to chalk up their fourth Conference victory and their seventh for the season.

The Aggies drove to the goal line in the first five minutes of play on passes from Derace Moser to Jim Sterling and Bill Henderson. Moser carried it over after faking a pass to Henderson and then slicing off tackle when the SMU defense fell back. Webster kicked his 24th consecutive extra point making the score 7 to 0.

In the second period the Mustangs used the tricky "quick line up" play and Johnston galloped 38 yards behind the interference of the entire SMU team. Johnston kicked the extra point which tied the score 7-7. Before the half was over, Bo Campbell place

kicked 25 yards giving the Ponies their 10 to 7 lead. If the Mustangs dominated the game the first

half, it would be putting it mildly to say the Aggies had possession of it throughout the latter half. Moser's coffin corner kick gave the Aggies a safety when Johnston stepped out of the end zone while attempting to kick out. Score: 10 to 9.

The last quarter resulted in 12 points through the Moser-Spivey combination. Twice they were successful in completing long passes which were in the end zone. Both attempts for extra points were wide and Webster's consecutive conversions ended at 24.

The Aggies kept the Mustangs within their own 35-yard line during the last half and crossed the goal line twice themselves to make the final score Aggies 21, SMU 10.

Aggies Clinch Title

On the bright Saturday afternoon of November 15, the untied and undefeated Aggies beat the hard-fighting Rice 19 to 6. Moser, who favored an injured ankle, started the game and turned in two fine runs. In the first quarter he threw passes and ran to set up the first touchdown, which Andricks made from the six-inch line. Daniels replaced Moser, and in the second quarter after returning Dwelle's punt 55 yards to the Rice 24, he threw a pass which Rogers took on the 10 and carried over to make the score A. & M. 13, Rice 0. The Aggies scored their last touchdown late in the second quarter. Webster threw a long pass to Sterling who was downed on the Rice 6. Then Daniels threw a pass to Rogers deep in the end zone for the score. The extra point was

missed and the first half ended. Score: A. & M. 19, Rice θ .

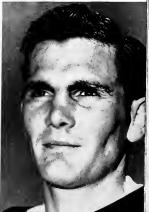

Rice came back strong for the second half, and in the first minutes of the fourth quarter, sparked by Brumley, they made their only marker of the day with Brumley taking the ball over from the four. The rest of the game was defensive with no scoring threats. Some of the standouts of the game were Sibley, Sterling, Ruby, and Dickey for the Aggies. For the Owls Blackburn and Sloan were outstanding. The game ended with the score, A. & M. 19, Rice 6. As the game ended the Aggies went crazy when they heard that the mighty TCU Frogs had defeated the highly favored Texas Longhorns, thus, assuring the Aggies at least a tie for the Conference Title again this year.

Aggies Winning Streak Halted

Rembering the defeat handed them by a Texas Longhorn team on a Thursday afternoon one year previous, the Aggies on another Thursday afternoon attempted to even up the score. Playing a truly inspired and great game the Texas Longhorns handed the Aggies a spectacular defeat. For the first time in the experience of the varsity players, they met defeat on Kyle Field. The Kyle Field "Jinx" had been broken.

During the first two quarters, the battle was on even terms. The first score of the game came fifty-five seconds before the half. Sanders broke around left end and ran fifty yards to put the ball on the Aggie 23. After two plays, putting the ball on the 9-yard line, with Doss holding, Crain kicked a field goal.

The third period began with an eighty-two yard kick-off return by Doss. Sterling and Roy Bucek of the Aggies caught Doss on the 20. Four plays later, Layden handed the ball to Crain who went for a touchdown.

After the third tally the Aggies rallied. Daniels began passing with an unequaled accuracy and the Cadets again went on the offensive. However, the Aggie attack bogged down and the Longhorns, in possession of the ball, headed for another touchdown making it by sheer power and agility combined. During the fourth quarter the Aggies threatened but the game was too far gone, and the game ended with the score, A. & M. O. Texas 23.

For the second time, a year after the first defeat in two years, A. & M.'s winning streak was again broken by the same team. With heavy hearts the Cadet Corps and the many Ex-Aggies listened to Taps for the second time in two years.

Washington State Defeated 7-0

The Aggies were again victors in the battle lines of the Nation's football greats. Traveling 5,000 miles to Tacoma, the Southwest Conference Champions with thoughts of the Rose Bowl still playing on their minds won the "Evergreen Bowl Classic" with a score of 7 to 0.

The red-shirted W. S. C. eleven put up a brilliant battle. In fact, it was the first to cross the goal line at Stadium High School Field. Billy Sewell, the Cougar backfield ace, shot a perfect pass to Bob Kennedy who never stopped running until he crossed the goal line. However, the two Cougar guards left the line too fast and the play was ruled illegal.

The play that cooled the Cougars off was a spec-

CURE

ROMAN

tacular pass from Leo Daniels to Cullen Rogers. Daniels pitched one to Marshall Spivey to cover 11 yards and place the ball on the Cougars' 38-yard line. Then he hit Rogers, who had gotten past halfback Felix Fletcher: Rogers faked Stoves off balance, tore away and galloped on for six points. Jake Webster kicked the extra point.

The Cougars threatened late in the game. By passes and running plays, they marched to the 12yard line where Bill Sibley intercepted Sewell's pass. This was Sibley's tenth interception in the season and his third in the game.

The Aggies headed for home and after a few days rest resumed practice for the 1941 Cotton Bowl Classic.

THE '42 COTTON BOWL CLASSIC

Alabama 29, Texas A.& M. 21

New Year's Day found the Aggies making a return engagement for the annual Cotton Bowl game in Dallas. With them came football fans from all over the country, South, East, West, and North. Dallas was jammed to the brim. An outstanding classic was to be played in the Cotton Bowl with the Crimson Tide of Alabama and the Aggies of Texas A. & M. matched in what was prophesied to be an unpredictable battle.

Aggies old and new, along with the great 210-piece Aggie Band and thousands of loyal new and old football fans followed the Aggie pack. Hospitality on the part of the Cotton Bowl Association and the citizens of Dallas gave them all a grand reception. No one could leave Dallas without the satisfaction of having been well treated.

The kickoff found 35,000 fans huddling in the cold anxiously awaiting the moment. A. & M. won the toss and soon found out that they were faced with a hard fighting Crimson Tide who took advantage of all of the breaks that fell their way and refused to be stopped.

Just before the end of the first period. Daniels returned a punt 43 yards to the Alabama 19 yard line with Cowley blocking out three men at once. On the second play of the second quarter, Daniels passed to Cowley, who went over untouched for the first tally of the game. Within five minutes the Crimson Tide answered back. A fumble on the part of the Aggies on their own 25 was covered by Whitmore. In four plays, Craft went over, making the score 7 to 7.

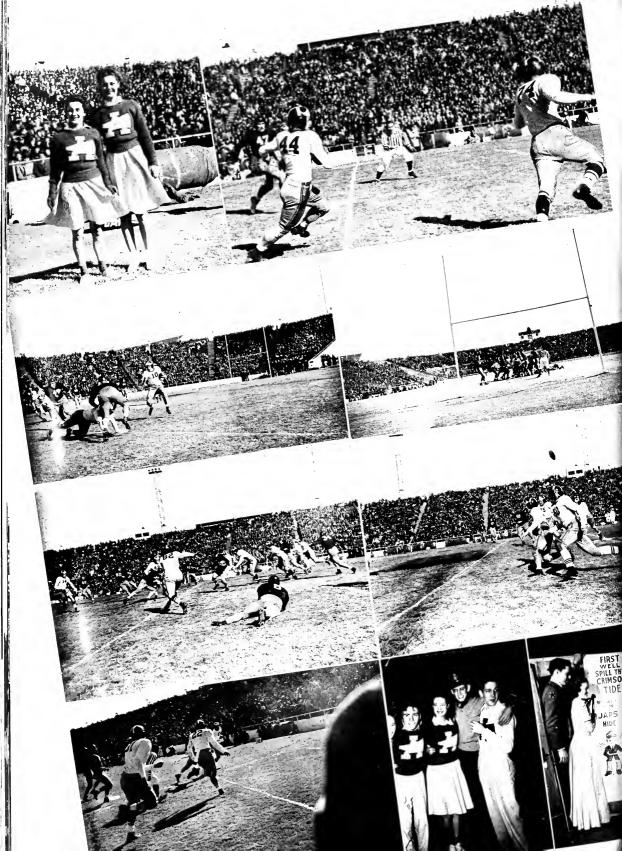

It was in the early part of the second half that Nelson of the Tide broke the 7 to 7 tie with a 72-yard touchdown run. Trailing 13 to 7, the Aggies again lost out on a fumble. This continued until the early minutes of the last quarter, when Alabama added a field goal and a touchdown to pile up a lead of 29 to 7.

The Aggies fought back, marching 53 yards for their second touchdown with Daniels flipping passes to Sterling and Spivey, and Webster plunging over. Again in the closing minutes, they struck, this time making the counter with a queer break. Moser's 35-yard pass bounced out of the hands of Nelson, who was all set for another interception, into the fingers of Sterling, who crossed the goal line.

The Aggies magnificently outplayed the Alabama Crimson Tide, but Lady Luck was against them. Taking advantage of everything that smiled at her the Tide, with perfect heads up play, proved to be one of the teams that the Aggies did not defeat, and handed the Aggies their first Bowl failure.

When the timekeeper's gun blasted away, he not only marked the end of the game but also the college football career for fourteen Aggie seniors. And so this last bit we dedicate to Spivey, E. Smith, Porter, Moser, Wade, Richardson, R. Bucek, Motley, Ruby, Wesson, M. Williams, Sterling, and Cowley, who had seen the great Aggie team win two unchallenged conference championships and one co-championship.

FISH FOOTBALL

Co-coaches Manning Smith and Charlie De Ware started out this season with a Fish Football Squad 120 strong. Of these about one hundred remained on hand all of the time and quite a few of these turned out for spring practice on the football field to appear as varsity men next year, insuring the Aggies of an outstanding team during the 1942 season.

The Fish started out their season by defeating the Allen Academy Ramblers 40-0. In this game Otto Payne and George Wilde were the standouts in the backfield and Tom Coers, Johnny Davis and Damon Knight in the line.

After defeating the Rice Slimes by an extra point, the Aggie Fish made ready for the meeting with the Texas Longhorns. However, November 15 grades came out and took a great number of the Fish stars and thus weakened the team, and although playing a good game the Aggies went down before the Texas freshman who gathered in six interceptions, by a score of 18-7.

Other seasonal standouts in the Fish team included Ed Dusek, Bill Thomas, Barney Welch, Nute Trotter, Jim Cody, Norm Brown, John Knight and many others. The 1942 Aggie varsity team will bear watching.

A S K

BILL HENDERSON Captain

MARTY KAROW Basketball Coach

BASKETBALL

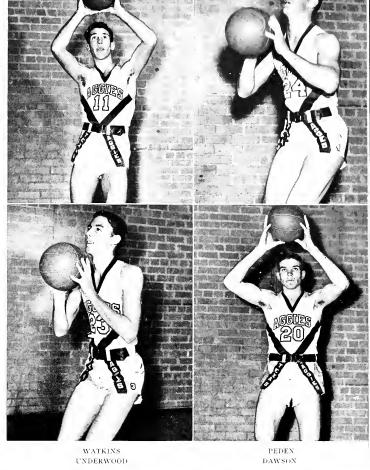

The 1942 Basketball season found the Aggies under the direction of a new coach. Marty Karow was relieved of coaching baseball and assigned to basketball when Hub McQuillan joined the TCU coaching staff. To say that the team finished sixth, won four and lost eight in the conference race does not indicate the successfulness of the cagers. They were successful in defeating Rice and lead such teams as Arkansas, who finished in a tie for first, and Baylor through the last minutes of play. It took a stubborn Rice five to down the Aggies in the last minutes of their second encounter. The Aggies were a constant threat to their opponents and Coach Karow may be credited with a successful first season.

The warm up games were not as successful as they might have been, the basketball team lacked practice and the Cotton Bowl Football game was given the greatest amount of emphasis. The Aggies met Sam Houston Bearkats and were handed a stirring defeat, 33 to 50, in the season's opener. The Bearkats took the lead early and were out in front all of the way. As for other pre-conference games, the Aggies won three and lost eight, playing L. S. U., Kentucky University, Purdue, Bradley Polytechnic, Oregon State College, and Washington University.

Saturday, January 10, in a conference opener in Austin, the Aggies were downed 46 to 32 by Texas University. The Aggies started the scoring but soon lost out, for after sinking a few fast ones, the Longhorns were soon put in a safe position. Three days later the Aggies defeated the Rice Owls 36 to 34 in perhaps the biggest upset win during the season. Rice had been the pre-season basketball favorites. Rice, on the other hand retaliated by handing A. & M. a similar two-point marginal defeat in De Ware Field House.

A rejuvenated Baylor team defeated the Aggies in their first home game by a score of

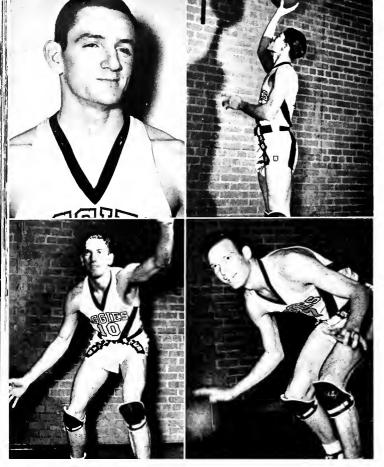

Baylor takes one off the backboard

Two points

HENDERSON BAYER

NABORS

Jamie Dawson outquips the Owl

48 to 46. A. & M. led by a margin of seven points at the half but the Aggies could not maintain their seven-point margin. Gaining revenge on the pre-season ribbing, the Aggies took the Sam Houston Bearkats in the first game after mid-term registration. Sparked by Jitterbug Henderson who racked up 25 points during the evening, A. & M. easily won to the tune of 53 to 42. Hard luck again returned to haunt the Aggies when they were nosed out in a second game with the Baylor Bears, 38 to 35.

Before a capacity crowd at De Ware Field House, Arkansas took the lead early; however, they were soon overcome and the Aggies took a decisive 16-9 lead. This Aggie fight continued until the last six minutes of the game when, with free throws and field goals following in rapid succession, the Razorbacks won by a margin of 47 to 41. The game the next night was also decided in Arkansas' favor, 40 to 31.

Grabbing the lead at the outset of the tilt, the Aggies kept in front of S. M. U. all the way. Bayer and Henderson led the Aggie attack with 12 points apiece, but it was Mike Cokinos who turned the trick for the Aggies' first home win of the year. It was a wild game, ending 47 to 29.

Mike chalks up two

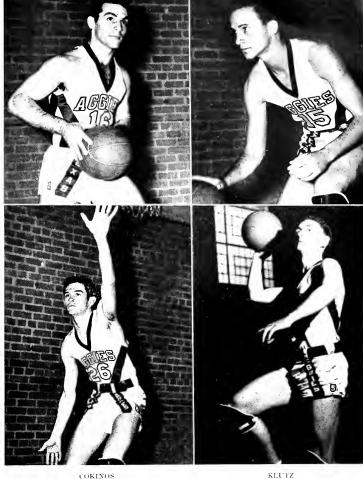

The Aggies gave the T. C. U. flag hopes a jolt when Coach Hub McQuillan came to the De Ware House as guest and not host. Both teams' eagerness to win resulted in a rough and tough encounter with the Aggies finishing strong to defeat the Frogs. The standout in the game was the hustle of Mike Cokinos. The sweetness of the Aggies' victory was short lived because the following Tuesday on enemy territory the Aggies were defeated by the Frogs, 34-27. The Aggies were again defeated when the Ponies snapped their ten-game losing streak at the expense of the Aggies. Holding the Aggies to nine points while they were scoring 24 the first half the Ponies led all the way to finish 35 to 33, the final Aggic onslaught ending short two points.

In a game marred by 29 fouls and in which the lead never changed hands the Aggies ended their spectacular season with a 46 to 42 win over the Tea Hounds. Led by Henderson with 22 points, closely followed by Jarrett and Nabors, the Aggies out-fought and out-hustled a constant Steer threat. Thus ended the basketball season with such sweet victories over Rice, the conference champs, Texas, enough said, and a Hub McQuillan-coached ball club.

Henderson towers over the Bears for two more

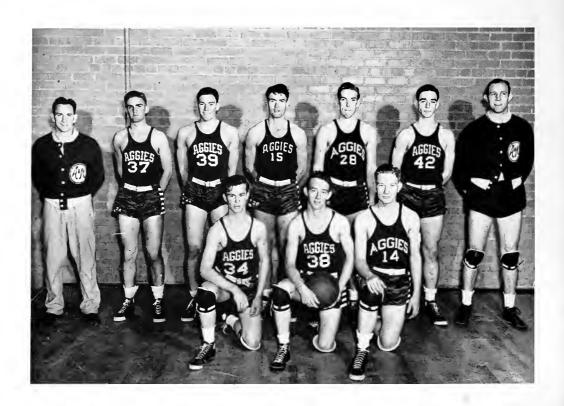

COKINOS PENNINGTON

The counter-attack

FISH BASKETBALL

This year's Fish squad had the best season of Aggie Fish squads in many years. They entered competition with seven squads and were victorious over five squads. They won from the Rice Slimes, Texas Yearlings, Tyler Junior College, Jacksonville Junior College and Allen Academy and lost to the Slimes and Yearlings. Breaking even in competition with other fish conference squads foreshadows the achievements of past teams. The Fish, teamed with the ineligibles, furnished the Varsity with stiff competition in their workouts and in one over-time period the Fish and Ineligibles were victorious. Standouts on the Fish Squad were Buddy Moore and Harry Hope. Eight men lettered and should all these men enter varsity competition it would strengthen the varsity squad.

This year's Fish were coached by Manning Smith who was ably assisted by Wm. Dawson, last year's varsity captain.

T R A

GIES

K

JAMES THOMASON Captain

TRACK

John W. Rollins is a stranger to the Aggies, but all of them know "Dough." He is business manager of athletics, end coach and head track coach. In addition to all of these, "Dough" is probably the most fluent of the Aggie coaches at after banquet speaking. He has had a hard pull to get the Aggies back on an equal basis in track. Prospects and interest was at a low ebb when he started his work in 1935. His teams have shown a steady improvement since, and this year the Aggies rate as a distinct threat to the supremacy of Texas and Rice. "Dough" is an all-time Aggie great, starring in football in 1914-15-16, captaining the team in 1916. He played on the 36th Division team in the A. E. F. in which he was a Captain of Infantry during the World War. After the war he entered the coaching profession as head coach at Wesley College, Greenville. He served East Texas Teachers College from 1930 to 1934 where he had an outstanding record as head coach.

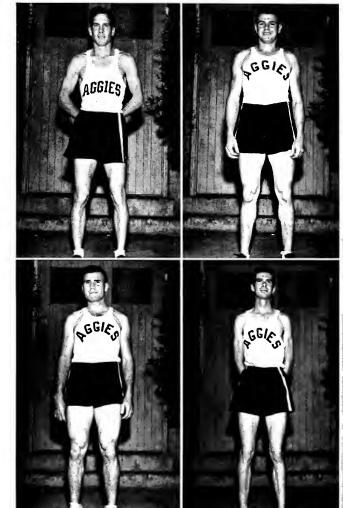

THE 1941 SQUAD

The Season

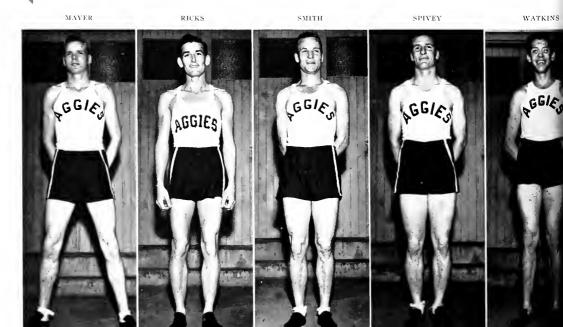

The first 1941 meet in which the Aggies participated was the Border Olympics held in Laredo on March 7. The Longhorns took top honors, but the spotlight was on the 120-yard high hurdles race. Bucek topped the timbers in 14.7 seconds, just three tenths of a second over Freddie Wolcott's record. The first big meet was the 19th Annual Southwestern Exposition on March 15th. Texas totaled 59 points to win the contest, A. & M. scored 421/2, and the University of Oklahoma placed third with 18 points. However, the Aggies cleaned up in the Preparatory and Freshmen Division. The football relay team composed of Moser, Knight, Bucek, and Smith, came in ahead of the others. A. & M., Texas, and Abilene Christian College participated in a triangular meet on March 28. Texas took 13 out of 16 firsts to win. Watkins

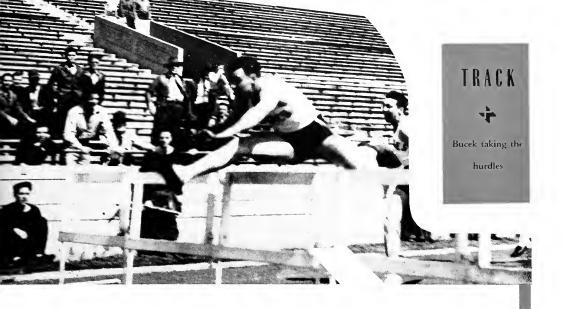

> BRUSH F. BUCEK R. BUCEK ELMORE

took the pole vault. Bill Henderson clinched his third letter by tying for first in the high jump and taking second place in the javelin throw. Jim Thomason celebrated his 21st birthday by taking first in the shot put. Early in April, the Aggie thinly clads eased out a close victory in a dual meet with Rice. The victory was marred by an injury sustained by Derace Moser. Bucek ran the hurdles in 14.8, boosting his total points to eight with Watkins matching him for the same number. In the Texas Relays in Austin Bucek lost a close race to Woens of Howard Payne who ran the high hurdles in 14 flat. Bama Smith led the Aggie squad to another victory in a quadrangular meet at Waco. Smith won the 100 in 9.8 while Pete Watkins made a tremendous 6 foot 7 leap to win the high jump. The Aggies collected a total of 74 points. SMU placed second with 48 while Baylor and TCU held the cellar with 23 and 19 points, respectively. Roy Bucek kept up his excellent record by winning his heat in the Drake Relays with the fast time of 14.7.

anual race which usually determines the conference champion. Texas U took 8 firsts and rolled up 75 oints to win the meet. Rice followed with 51½ points and 5 firsts while the Aggies trailed with 43½. The Bucek brothers and Pete Watkins gathered the only three firsts for A. & M. Roy Bucek also tied Infernach of Texas for high man with 10 points to his credit. The big three of Southwest Conference tack — Texas, Rice, and A. & M. — finished in that order in the Conference Track Meet held May 10 in Austin. The brightest spot in the picture from the Aggies standpoint was the showing made by Roy Bucek, hurdler, who won a gold watch for being the individual high point man of the meet with 11½ oints. Captain Thomason was fourth in the shot put while Henderson placed second in the 880-yard un. The Aggies finished second in both the 440 and 880 relays. The final standings of the six conference

at the "Little Conference" meet held at College Station May 2, Texas, Rice, and the Aggies ran their

nce teams were: Texas 64, Rice $40\frac{1}{2}$, A. & M. 31, SMU 17, Arkansas 11, Baylor 7, and TCU $5\frac{1}{2}$.

KNIGHT

LANEY

FRESHMAN TRACK SQUAD

FISH TRACK

The Texas Aggie track stock appeared very much better in 1941 because of the improved freshman track squad. Under Coach Dough Rollins they showed up fairly well under stiff competition. In their first meet, the Freshman and Prep school division of the Fort Worth Track and Exposition Meet, they placed first with a heavy margin, piling up 56½ points to 32½ for the second place Texas Yearlings. The outstanding runner at this meet was Emerich Labus. On April 5, in the Texas Relays, the Fish did not fare so well, placing third; however, in the meet with the John Tarleton Plowboys the squad redeemed itself. Texas A. & M. Fish ran away with the contest, winning by a 38 point margin, taking 11 out of 15 firsts. Truman Cox was the top hurdler and as shot putters James Montgomery and Leonard Dickey held their own. In the pole vault division, Jim Goatley, who had never before vaulted, successfully took it up under an upperclassman's coaching. Cox and Dickey were stars in discus throwing.

41

S

MARION PUGH Captain

MARTY KAROW Head Coach

BASEBALL

Marty Karow, the genial "jack-of-all-trades" for the Aggie coaching staff, is good at all, contrary to the nursery rhyme. He has had a hand in three major sports at A. & M., football, baseball and basketball. Marty has had a colorful and varied sports career. He graduated from Ohio State University where he was a star in football, basketball and baseball. He jumped from the campus to the major leagues, playing with the Boston Red Sox for a while. He was sent to the minors for seasoning and began coaching as backfield coach, freshman baseball coach, and head basketball coach at the University of Texas. In 1936, having quit baseball, Karow coached at the U. S. Naval Academy for two years, leaving there to come to A. & M. Marty has developed a number of outstanding baseball and football stars. He kept his hand in by playing semi-professional ball, but at last accounts he had fallen to the level of softball.

The 1941 Season

Picked by the sportswriters to finish behind Texas U. in the 1941 conference race, the Aggies lived up to all expectations, but not until they had staged a whirlwind finish which scared the living daylights out of the "keepers" of the Forty Acres by trouncing the Longhorns in two out of three contests. The Aggie nine lost their share of the conference flag in the last game of the season when Lefty Golden, of the Baylor Bears, pitched five innings of hitless ball to down the favored Cadets. Lefty Bumpers was voted Most-Valuable player at the end of the season, and J. D. Scoggins was elected next year's captain. Lefty Bumpers and J. D. Scoggins were named as All-Conference players.

Conference

Baylor

On March 28, the Aggies opened their conference season with a 10-0 victory over the Baylor Bears. The first Aggie run came in the third inning when Bumpers walked, Rothe sacrificed him to second, and Rex Francis singled to send Bumpers across the plate. In the fourth frame A. & M. scored four more runs and in the sixth they knocked Miller of Baylor from the mound to send four more men around the diamond. But Baylor gave the Cadets' pennant hopes a severe jolt the next afternoon, when they took a thrilling 12 inning contest 7-5. The Bears jumped on Stevenson for

SCOGGINS L. PEDEN MOON PUCH

three runs in the first inning. Bill Henderson relieved him and was replaced by Bumpers in the fourth when he allowed two men to cross the plate. The next five innings was a pitchers' duel between Lefty Bumpers and Lefty Golden of Baylor—the best southpaws in the league. Bumpers, who had seen service the preceding day, retired in the ninth and Roy Peden finished the struggle for the Cadets.

Rice

The next pair of games, though they were 14 days apart, were against the Owls. The first, which was played on April 4, was a superb pitching preformance by Lem Bumpers who allowed 2 hits, walked two, and fanned eight. Only thirty men came to the plate and only one of these reached third. Double plays helped Bumpers out in the 7th and 9th innings when more than three men faced him. Marland Jeffrey led the Aggie hitting with three hits in four tries. Final score: Aggies 10; Rice 0.

On April 18, the Owls fell 9-5 before the Cadets. The heavy hitting of the Aggies led by Buchanan, Lindsey, Scoggins and Glass was too much of an offense to overcome. On the following day, Rice hitting dominated and they gained a victory scoring six runs in a hectic third inning to win the melee 6-3.

S.M.U. & T.C.U.

The first two weeks in May saw A. & M. wrap up six straight victories. On May 1, 15 hits and numerous Frog errors aided the Aggies in downing T.C.U. On May 2 Lefty Bumpers struck out 10 S.M.U. batters while his team-mates

HENDERSON ROGERS BUCHANAN FRANCIS

were rapping Brooks Atchison, Mustang pitcher, for 4 doubles, 1 triple, and two homers to take the Ponies 8-3. The next day's game was much closer. Bill Buchanan's home run broke up a pitching duel in the 8th between Roy Peden and Atwell Tessman when he slammed one of Tessman's fast balls over the fence to score Cecil Ballow ahead of him. Jeffrey's foul line circus catch staved a Mustang threat in the ninth, and the game ended 2-1 in favor of A. & M. On their northern tour the Aggies had little difficulty in taking a brace of games from T.C.U., 8-6 and 13-1, and a final game from S.M.U. 10-1.

Texas

Texas invaded Kyle Field on May 16. The cadet corps will long remember the two battles fought here. Six thousand frenzied fans saw Lefty Bumpers outlast three Texas pitchers to down the Steers 3-2 in the opening game. In the third inning, the head of the Texas batting order loaded the bases. Jack Stone, clean-up man, came to bat and with a 3-2 count hit into a double play to end the threat. In the eighth frame, A. & M. scored on the squeeze play, the oldest and most difficult play in baseball, Pugh walked, went to second on a wild pitch, went to third on a pass ball, and scored when Red Carden layed down a perfect bunt. This proved to be the winning run and gave the Aggies a tie for the championship.

Saturday May 17, before a large crowd, A. & M. forged into a one-game lead with a heads-up 7-5 victory over the Steers. Texas took an early lead when Pete Layden homered in the first, but the Aggies were quick to erase the T.U.

STEVENSON J. LINDSEY BALLOW BUMPERS

lead when Scoggins hit for the circuit. The Longhorns' hitting power dominated in the next five innings and they gained a 5-3 lead. Loading the bases in the eighth with no outs, A. & M. pounded out four hits and as many runs to take the conference lead. During the entire 8th frame the Aggie band played "Wildcat." Bumpers came into the game to retire the side with no runs.

Juniors and Seniors were granted excused absences on Monday May 19 to follow the Aggie nine to Austin in order

to witness the final and deciding game of the series. Rains threatened to postpone the game but Clark Field was rapidly put into playing condition. A. & M. started the scoring in the second inning when Rex Francis went home on Scoggins' single to right field. Texas counted twice in the fifth, but Scoggins again came through with a homer to even the count as he had done the game before. The next three innings developed into a pitching duel between two of the best pitchers in the conference—Lefty Bumpers of A.&M. and Melvin Deutsh of Texas. The game went into extra innings. In the tenth inning Pete Layden homered over the center field fence to give the Longhorns a 3-2 win and a tie for the championship. Cadets well remember the reception and hospitality extended them by the T.U. student body. A deadlock for the championship loomed as each team had a postponed game remaining against a comparatively weaker opponent. Texas ran true to form and defeated T.C.U. 12-2. The Aggies didn't fare as well and their championship hopes were shattered when Lefty Golden of Baylor silenced the Cadet guns with five scoreless innings and Baylor won 3-1. Bumpers allowed Baylor but four hits.

GLOSSY R. PEDEN JEFFREY CARDEN

FISH BASEBALL

The Freshman Baseball Squad of 1941 showed very little promise in their games this season. There was a shortage of material, and a greater lack of experience. Some of the Fish showed potential power and promise of developing with time and added play. The Fish started off their season with a loss to the Allen Academy Ramblers 0 to 1. Wendell Acrey displayed good pitching by striking out 13 men in this game. The Fish lost the next two games to the Texas Yearlings 0 to 4 and 1 to 19. Errors and lack of batting power were the main causes of these losses. On May 10, the Fish defeated the classy John Reagan Bulldogs of Houston 7 to 2 for the only win of the season. The Fish closed out the season with losses to the Baylor Cubs and another loss to the Allen Ramblers. The team was coached by the very capable Harry Faulkner.

Middle row, left to right: STEVENS, WINTERS, TAYLOR, CONWAY, Capt.; WEIRUS, LOOMIS, BAIRD.
Back row, left to right; JOHNSON, McKEY, ART ADAMSON, Coach; GOODMAN.

This year the swimming team won four meets, tied one meet, and lost one meet on its annual tour. This year's tour was through the states of Alabama, Mississippi, Georgia, Tennessee and Arkansas. The team won over Auburn, Emery University, Tennessee, Vanderbilt, Castle Height Military Academy, tied Dallas A. C. and lost to Georgia Tech. On the tour the performances of the medley relay team were outstanding; composed of Captain Ernie Conway, Bob Cowling and Fred Renaud it set pool records at Dallas and Emery University. Taylor set a record in the 220 event at Emery and was highpoint man against Tennessee University.

Minor Sports SWIMMING

In other contests the Aggies defeated Dallas A. C. in the Downs Natatorium. Cowling of A. & M. set a record in the breast stroke. Green of Dallas set a record in the 220, and the medley relay team again proved itself by setting a new record. The Aggies upset the dope bucket by defeating T. U. for the first time since the conference started. In the Southwestern A. A. U. meet the team

finished second.

The Aggies won five firsts in the conference meet to take only second place, losing 83 to 70, Texas taking first. S. M. U. won third with 17 points and Baylor fourth with 10 points.

The medley relay team was undefeated all year as well as was Cowling in the breast-stroke. Taylor and Cowling missed the national meet held at Harvard because of transportation problems.

G O L F

In spite of the fact that the golf squad had no lettermen from last year returning, prospects for this year's team look good. Coached by Col. Frank Anderson such members as Howell, Young, Rohrer, Fouraker, Wahrmund and Rominger are showing great promise. The team should better its mark of third in the conference last year.

So far this year they have played four matches and one tournament. They have won matches from Rice and Baylor, lost twice to a strong T.W.C. team, and finished third in the Fort Worth Stock Show tournament. The remaining schedule consists of contests against S. M. U., Texas and the Southwest Conference meet to be held in Dallas.

YOUNG No. 1 and 2 HOWELL

Front row: ABCOCK, BLAKELOCK, SHAW, STILLINGER, FRYE, MOLYNEAUX, Sponsor. Back row: WILMAN, ELLIFRIT, STOOKEY, WILLIAMS, GORDON.

The Fencing Team was hard-hit by graduation last year; and, consequently, at the beginning of the year the bulk of the team was inexperienced. However, the team practiced four nights each week throughout the year, and improved rapidly.

Minor Sports
FENCING

The team is a member of the Southwest Fencers League, composed of Galveston, Texas U., Baylor, S.M.U., Dallas Y, Fort Worth Y, Texas Tech, and N.T.A.C. The team has a regular tournament season climaxed by the League meet, which was held at Dallas this year. E. R. Stillinger gained the semi-finals.

Welles and Stillinger with French Foils

Prospects are good for next year.

The officers of the 1941-42 Fencing Team were Robert Shaw, President, and E. R. Stillinger, Secretary-Treasurer. The team was ably coached by Mr. Lambert Molyneaux.

Front reas: JONES, PIERCE, COOK, KAUFMAN, WARNER, THAIN, FILGO, LITTLEPAGE.

Moddle reas: LT. STROTHER, SMITH, CHURCHILL, COX, MANSFIELD, TURNER, SANDERS,
Back reas: SGT. COYNE, FRAZIER, THOMAS, FERGUSON, ISSAC, PYT. CODY.

Minor Sports
PISTOL

The Aggie pistol team has fired matches against outstanding teams all over the nation. These matches are fired on the home range of the teams under the supervision of some school official. The scores are then exchanged and the winner announced. Also the team competes in several shoulder-toshoulder matches with teams such as the Texas Highway Patrol Pistol Team, the Houston Bayou Pistol Team, and the Galveston Civilian Team. Num-

bered among the victims of the Aggie pistolmen so far this year are the teams representing Ohio State, Harvard, Iowa State, Cornell, Yale, and V.M.I. Coach of the team at the beginning of the season was Lieutenant T. B. Strother. As he was ordered away in March, Lieutenant L. J. Lefkovsky coached the team the remainder of the year. Members of the varsity team are as follows: W. D. C. Jones, Captain; T. K. Pierce, Secretary-Treasurer; Bill Filgo, Russell Cook, R. G. Cox, N. Mansfield, C. Mays, Philip Beckley.

The Team firing

ont fow: KAUFMAN, COOK, MACEIRAS, CAPERTON, CAPT. FILGO, DINON, MARSHALL, THENN, CROSSLAND, CUNNINGHAM, cond fow: BRAWNER, BLARELOCK, RICHARDSON, MEES, TEAL, GETZ, BROWN, ASST. COACH GT. COYNE, TEAM COACH LT, WILLIAMS, int from: JONES, MURPHY, WESP, FORCE, HANDCOCK, BILLINGSLEY, OBENOLOS, ASST. COACH BEATTY.

The Corps Rifle Team and the "Fish" Rifle Team had a good season this year. After an elimination in which out of 300 candidates the best 30 men were picked, the teams started their annual pistol matches with teams throughout the nation. The Fish team shot nine matches and lost only one. The Corps Rifle Team shot in 52 matches and won 38 giving the team an average of 73%.

Two shoulder-to-shoulder matches were shot against N.T.A.C. and T.S.C.W., the A. & M. team winning one by 8 points and the other by 3. The team also took part in the State Open Championships.

Lettermen of the team were Team Capt. Bill Filgo, Sec. Treas. Russell Cook, Sam Dixon, G. B. Caperton, J. H. Crossland, L. L. Marshall, and Nick Mees, Jr. The four men voted most valuable to the team were Bill Filgo with a 374 average; Sam Dixon—371; Russell Cook—371; and J. H. Crossland—371.

Cook and a couple of the T.S.C.W. Riflers

Minor Sports RIFLE

Much of the credit for the success of the team is due Lt. C. A. Williams, coach, and assistant coaches Beatty and Coyne.

L S

Mr. Penberthy awarding E FA Class A and Class B Intramural Flag for 1941.

It is the aim of Intramural Athletics at A. & M. to provide an opportunity for every student to take part in a large variety of sports and to encourage and promote competition among large groups of those students who are either not interested or sufficiently proficient for Varsity Competition.

W. L. Penberthy, Director of Intramural Athletics, is one of the best known and most popular men of the A. & M. Campus and is to be commended for his work. Realizing that no director is better than his staff Mr. Penny is ably assisted by Spike White, Art Adamson, Dewey Hoke, Colonel Anderson, Luke Harrison and Nieky Ponthieux. The entire Corps owes Mr. Penny and his staff a debt of gratitude for their fine organized competitive play program, averaging over 1500 games a year, in which upperclass games are conducted separately from freshman.

The Intramural Department enjoyed its best year this year. Much credit for its splendid success is due Recreational

Officers, Departmental Managers and students for their interest and cooperation.

INTRAMURAL ACTION

INTRAMURAL ACTION

RIGHT TO VOTE

To violate the freedom and sanctity of the suffrage is more than an evil; it is a crime, which, if persisted in, will destroy the government itself. It should be said with the utmost emphasis that this question of the suffrage will never give repose or safety to the states of the Nation until each, within its own jurisdiction, makes and keeps the ballot free and pure by the strong sanctions of the law. We have no standard by which to measure the disaster that may be brought upon us by ignorance and vice in the citizens, when joined to corruption and fraud in the suffrage.

James A. Garfield

RIGH

O RIGHT or privilege has been so neglected as has the right to vote. Government by duly elected representatives of the people is the theme of our ideal of life. Yet it is typical of our elections that a large per cent of voters fail in this prime duty to their country. This condition must not be allowed to flourish; pressure groups or minorities have found it possible to control elections and governmental policies.

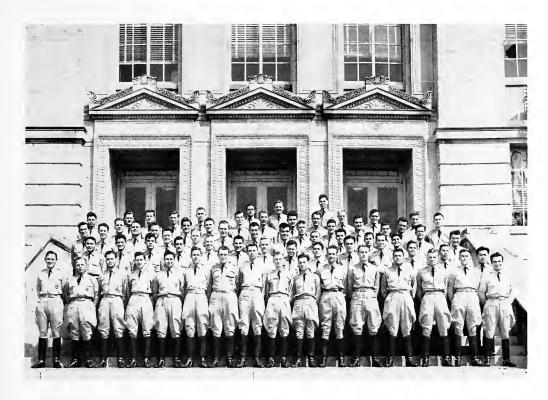

The present crisis in the world and our own affairs should awaken in the American people a sense of responsibility toward the rights and freedom with which we are blessed.

Public opinion has demonstrated conclusively that it is one of the most potent forces in the life of our country. The expression of public opinion rightfully should be through voting.

The ballot box is a shining symbol of democracy.

O VOTE

THE EXCHANGE STORE of the A. & M. College is the store of the Cadets...the Student's headquarters . . .

All the books, stationery, and drawing materials that will be needed during the year will be found here. Your regulation uniforms, Stetson hats, Sam Browne belts, shoes, shirts, and in fact everything that is good in the military line, will be found in this store. We also keep in stock the very best lines of underwear, hosiery and toilet articles. This store is not run with the idea of money-making but merely for the convenience of the student body, and goods bought by us are sold as cheaply as possible — just enough being added to pay running expenses.

OUALITY THROUGH THE YEARS...

WHEN John Deere built his first steel plow over one hundred years ago, he chose the best materials available, and put all of his skill into shaping a plow bottom from a mill-saw blade. When complimented on the completed job, he said: "I'll never turn out a job that hasn't in it the best that is in me."

Adhering to that principle down through the years, the John Deere organization has grown from an humble blacksmith shop to twelve great factories and a sales and service organization reaching into every farming section of the world.

Today, John Deere Farm Equipment has outstanding prestige due to continued growth of this long-

established belief among farmers—that the John Decre way of building equipment insures much more than a dollar's worth of performance for every dollar of the purchase price.

To the Graduating Class of Nineteen Hundred and Forty-two I wish to extend my sincere congratulations on your achievements.

Never in modern history has the world stood in greater need of real men with training and capabilities for vigorous, intelligent leadership. It gives me a sense of deep satisfaction to know that another group of Aggies is joining the vast alumni organization with its everpresent goal of helpfulness and service.

The state and your parents have made a well rounded education possible for you, and you in turn may enrich them by accepting responsibility with wisdom and strength which is traditional with Texas Aggies .

- ★ TO MEET THE WARTIME DEMANDS FOR COLLEGE/TRAINED MEN, THE SCHOOL YEAR AT THE AGRICULTURAL AND MECHANICAL COLLEGE OF TEXAS IS ORGANIZED ON A 12-MONTHS BASIS, DIVIDED INTO THREE 16-WEEKS SEMESTERS, WITH ONE WEEK BETWEEN SEMESTERS.
- ★ A new student now can complete the regular four-year course in two years and eight months, by continuous year-round attendance. Regular five-year courses may be completed under the speed-up program in three years and four months.
- ★ Never in the history of our country has the need for trained men been so great men trained in the Arts and Sciences, Agriculture, Engineering, Veterinary Medicine and the Art of War.
- ★ A TRAINED MAN CAN BE OF MORE SERVICE IN EITHER PEACE OR WAR.
- ★ The cost of attending the A. & M. College of Texas remains at the lowest possible figure
 for new students residing in Texas it will cost approximately \$250 for the first semester and \$185 thereafter making a total of approximately \$620 for the first year of residence, during which time the equivalent of one and one-half years of college credit may be obtained.
- ★ For detailed information write to the Registrar, College Station, Texas.

TO THE CLASS OF '42

This is not the end of education but the beginning. And if the road ahead looks difficult, travel it with the courage and confidence that is your American heritage. Our best wishes go with you.

Humble Oil & Refining Company

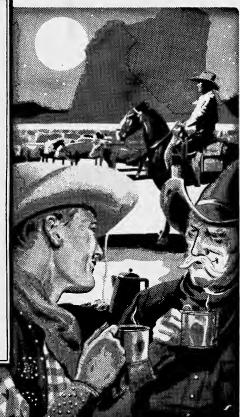

A TEXAS INSTITUTION

In song and story . . . in legend and lore, well known brands have been interwoven in the tradition of the Southwest. And in foods and related products there are brands that are symbolic in the tradition of good living in the Southwest. When it comes to coffee the brand that smacks of the tang of the outdoors with a richer, mellow aroma and robust flavor is Admiration! Switch to Admiration and climb another notch in good living.

Listen to MISSING PERSONS Monday through Friday, at 8:15 a.m.

Admiration Coffee 3 PERFECT PACKS 3 PERFECT GRINDS

Graduates of 1942 . . . Congratulations!

Joske's and the Youth of Southwest Texas have long been "good companions." For Joske's is more than just a store, it's a personality . . . always hospitable, always ready to serve you through large stocks, newest fashions and values that let you keep to your budget. Young folks like the warm friendliness of this store and you see them here often, buying with the confidence they place in a real friend.

Because of this deep friendship between Youth and a Store, Joske's has grown steadily greater. It's now considered one of the most beautiful stores in America . . . like a whole city of shops under one roof — always waiting to please you, your family, your friends.

Something

<u>OLD</u>

has been subtracted!

....BUT

WE'VE always PREFERRED

GREYHOUDD

It was really a painless operation we performed on old "jalop" when we sent her tires off to war, because we can still travel better and less expensively, and save war material, too. How? By Greyhound Super-Coach, of course! Greyhound carries many more passengers per gallon of gas, per pound of rubber or metal than a private car.

GREYHOUND

To the Men of A. & M. . . .

It has been our privilege during the twenty years we have been in this business, to meet many representatives of "A. & M." . . .

It has been a pleasure to talk to the boys, who called at the office with their story of your various publications . . . to see outstanding teams competing for your great Institution in the field of Sports . . . to know many "Exes" in business and industry . . . to get acquainted with faculty members. No man can know "A. & M." and not understand something of its spirit and appreciate its contributions to character and leadership.

Yours is a heritage worthy of finest effort. Never doubt the final outcome so long as you continue to live up to these traditions.

In Looking through this yearbook, one seldom realizes the countless hours, even days, of work and planning done by the editors to produce an outstanding annual. The editors' supervision includes everything from the first idea of a theme to the countless details of art work, layouts, photographs, copy, engravings and printing. Thus our greatest interest has been to work in the spirit of cooperation and relieve the editors wherever possible of some of their work and worry. Our organization of experienced craftsmen, using the most modern equipment, has coordinated its efforts with those of the editors to give you a yearbook which we hope will be both attractive and entertaining.
